

Minutes
Home Economics Leaders Quarterly Meeting
June 16, 2010

Attendance: Carole Smith, Sherry Nantz, Cheryl Faulk, Emilee Patterson, Amiee Patterson, Jhavanna Shaw, Robin Gerber, and Kimi Durning.

Old Business

1. Review Fair Schedule: Home Ec projects are done by Wednesday except for pickup.
 - The first Wednesday we will have contests and go until done.
 - If we only have a few kids for knitting and crocheting, we will have them do their skills contests when their projects are judged to save money on the judge.
 - we need to get the favorite boards up quickly because the building is rented out the next day.
 - we need to make sure the kids get a updated food pyramid before the foods contests
2. Favorite Foods: the final copy is done; it just needs the place setting on the back.
 - judges will get a copy too so everyone is on the same page
 - hoping to get more livestock kids since the contests are earlier this year
3. Fashion Boards: Robin has the information and will get those finished up
 - we need to remind the kids that the boards need to be light to be hung
 - they will need to be hung on Friday because the building is rented out on Saturday

New Business

1. New Contests at the fair: these contests are open to all intermediate and senior 4-Hers
 - we received handouts about these contests and decided they needed to be available to 4-Hers that may be interested as well
 - the contests are: 4 for 6,8,or 10 (cooking); Quick Fix Meals; Iron Chef; and Fashion Revue, Ready to Wear (clothing)
 - depending on the number of kids that sign up, we will schedule them during the other contests and presentation days (Thursday July 29th)
 - ready to wear can be during style revue and just run them together
2. Clubs in charge of exhibit building: we thought it would be nice to have clubs sign up to watch the building instead of individuals to get more participation. A concern was livestock members having time and small clubs needing smaller windows of time (with less members).
3. Superintendent Meeting: everyone agreed that a meeting is needed before the fair to get everyone up to speed on changes.
 - superintendents: Beth Longwell – other exhibits and Judging contest
Jhavanna Shaw – Fashion Revue and Favorite Outfit
Laurie Gray – Foods and Food Contests
Darla – Sewing Skills
Darla & C
Amiee Patterson & Sherry Nantz – Judging Contest Oral Reasons???

Next meeting – not until September unless we have something come up.
