INFORMATION & RULES

Pre-Entries are encouraged. They must be received 5 days prior to the show. To truly be “pre-registered,” all forms must be completed in full. Only one Exhibitor Entry form for each exhibitor. Entries will be accepted on the day of the show. Please have entries completed at least 30 minutes before your class is expected to start.

Show management reserves the right to reject any entry of any exhibitor or the participation of any agent/trainer/rider who has shown previous unsportsmanlike conduct at a show or to its management. Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, or member of the family of the person participating in the show will disqualify the horse from being judged. The management reserves the right to remove a horse, owner, lessee, trainer, groom, rider, or member of the family of the person participating from the show without being liable for compensation.

The decision of the Judge is **final**. No one shall approach the Judge with regard to a decision unless he/she first obtains permission from the Show Committee who shall arrange an appointment at a proper time and place.

Lunchtime will be announced.

Please take note that a thank you card to the sponsor will be included with all show awards. We ask that the winners of these awards make every effort to show their appreciation by sending these cards to the sponsors.

High Point and Reserve High Point awards for each age group are for the exhibitor earning the most points in their age group for the two show series. High Point and Reserve High Point awards will be announced following the July show. Awards are determined on a one-rider/one-horse basis.

All horses assume a January 1st birth date, regardless of the actual foaling date. ***The age of the participant is as of January 1, 2009.***

Refunds of entry fees will be given for the reason of sick or lame horses (with vet certificate) for pre-entered contestants who notify the show secretary 3 days prior to the show.

No mechanical hackamore will be allowed in any class, except gaming events.

Protective leg gear or bandages are prohibited in all classes except reining and gaming events.

The Show Committee reserves to itself the right to cancel any class if in its judgment the entries are not adequate.

If the entries in any two or more classes of the same division are not sufficient to fill them, the Show Committee reserves the right to combine the classes into one competition.

The Show Committee and Wallowa County Fair Board will not be responsible for any accident which may occur to any rider, groom or attendants, animal, carriage or equipment at the show or in connection with the show or in connection with the show or in any activities pertaining thereof.

No person will be allowed in the show ring during the time of judging except those having duties to perform. Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials on the part of the owner, rider, or groom, shall disqualify the horse and the owner shall forfeit his entry and other fees.

The Show Committee reserves to itself the power to prohibit any person from attending or showing a horse in the show ring and to remove any groom of horse from the show without being liable for compensation.

Should any questions or disputes arise that are not provided for in the rules, the same shall be referred to the Show Committee whose decisions shall be final.

Dogs are not permitted at the Wallowa Mountain Open Horse Show.

Stallions may not be shown by riders or handlers 18 or under.

Gate will close three minutes after the first horse enters the ring. No horse may enter the ring once the gate is closed. A two-minute gate hold may be obtained by informing the gatekeeper before the first horse enters the ring.

Exhibitors must appear in the ring properly attired. For English in English clothes with proper tack, Western in Western clothes with proper Western tack. A correct number needs to be clearly visible. "No number" will be grounds for disqualification.

Helmet Rule—ALL RIDERS 18 AND UNDER, regardless of riding seat, will wear a properly fitted equestrian helmet which meets the minimum performance standards imposed by the American Society of Testing Materials (ASTM) E 1163 and include certification and labeling required by the Safety Equipment Institute (FEI).
