

Horse Keeping Workshop

What: Horse Keeping Workshop
When: Saturday, October 17th, 2009
 8:30am-11:30am
Where: Fort Dalles Riders Club
 1023 Irvine Street, The Dalles
Cost: FREE!

Two hours in the classroom and an hour in the field will provide guidance for horse keeping practices that promote horse health, build good relations between neighbors and add to a horse property's value while protecting the land and water quality. We will be touring a horse keeping operation that has recently upgraded with a small grant through Wasco County Soil and Water Conservation District and State of Oregon. Presenters will come from Wasco County OSU Extension District, Oregon Department of Agriculture, and Wasco County Soil and Water Conservation District. *This year's session will include a special focus on manure management and composting. Bring your questions!*

Learn About

- Horse Health
