Exhibitors earn points by maintaining clean, neat stalls. Barns that are clean and orderly, including alleys, stalls and pens, earn points. Points are earned if your animal remains securely tied or penned and is kept clean and comfortable. Your animal(s) must be regularly fed and cared for. If your feed, equipment and stall cards are in place and orderly, points will be added. Participants who are friendly, courteous, and cooperative and conduct themselves in a manner that will make their club or county proud will earn points. When the appearance of your stall is poor, points are deducted. When animals are neglected or noticeably distressed, points will be deducted. When these areas are in poor condition, points are deducted.
