

Clean Animal Certification

We, the undersigned, certify that the market animal being shown and sold by _____(print) at the Wasco County Fair will not receive antibiotics or other drugs 30 days prior to the Wasco County Fair, or if the animal has received approved antibiotics or drugs in the past 30 days, the animal has met labeled withdrawal periods for slaughter. If for any reason this animal is found not to be in compliance with USDA or FSIS regulations concerning residue levels, we understand that we will incur any monetary penalty and the Wasco County Fair will not be held financially liable. We also understand that animals to be shown and sold at the Wasco County Fair may be subject to random or spot urinalysis testing and that any animal not found to be in compliance due to testing will not be allowed to sell through the livestock auction.
