

A Spanish language Basic Math for Pesticide Applicators class is being co-sponsored by Columbia Gorge Community College and Oregon State University Extension. The class will be offered at CGCC in The Dalles and will meet for a total of 24 hours on Friday evenings and Saturday mornings, beginning October 23. Class times and dates are as follows: 6:00-8:00 on October 23, 30, November 6, 13, and 20. 9:00-noon on October 24, 31, November 7, 14, and 21.

The class will be offered in the Hood River area during winter 2010. The class will give participants the skills to understand the basic math needed in farm operations such as sprayer calibration and proper pesticide applications. In addition, it may help participants pass the private pesticide applicators exam. Register by calling the college at 541.506.6011. The cost for the class is \$89.
