4-H Youth Development

4-H is the world’s largest and most dynamic informal educational program.

No matter where you live… in the city, in the suburbs, or on a farm…

4-H has something for you!

I Pledge my Head to clearer thinking,
my Heart to greater loyalty,
my Hands to larger service,
and my Health to better living,
For my club, my community, my country, and my world.

September 2008—This publication revised by Lynette Black, 4-H Youth Development Agent

Oregon State University Extension Service offers educational programs, activities, and materials—without regard to race, color, religion, sex, sexual orientation, national origin, age, marital status, disability, and disabled veteran or Vietnam-era veteran status—as required by Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973. Oregon State University Extension Service is an Equal Opportunity Employer.
The basic Oregon 4-H program is designed for youth in grades 4-12. The 4-H Adventures program is for youth in grades K-3.

Our focus is teaching life skills. To emphasize this, most projects have an advancement program for the member to progress through the levels of expertise as they gain these skills.

The fee to join 4-H is $25.00. Wasco County has a $5 county fee per year and state 4-H has a fee of $20. This covers accident insurance and most of the publications and project curriculum that a member needs.

We also provide 4-H in some exciting formats beyond the traditional club structure, such as:

- School enrichment curriculum
- After school programs
- Short term projects
- Special interest activities
- Day camps
- Summer residential camps
- Leadership camps

Please note: Submitting this form DOES NOT enroll you in 4-H. It lets us know that you are interested, so we can find you a club if you don’t already have one in mind.

Do not send any money at this time.
