Congratulations Graduating Seniors!
We are honored to announce the Wasco County 4-H graduates of 2010. We are extremely proud of you and wish you the best of everything for your future. You will be missed. We would like to create a PowerPoint presentation again to share with everyone during the fair. Please send Lynette electronic or non-electronic photos for us to use. The more the merrier! Please send to Lynette by July 16th to be included.

2010 Seniors:
- Angela Despain
- Cathryn Polehn
- Laura Lowe
- Lindsey Pullen
- Natasha Morelli
- Shauna Stephens
- Ben Iremonger
- Hailee Olheiiser
- Laura Johnson
- Maza Brady
- Natasha Davidson
- Brittany Pierce
- Kayla Coulter
- Lindee Burgett
- Megan Gould
- Sam Brogan

State Fair Needs Senior Members
Okay, senior level 4-H members, the State Fair needs you to help with Horse Fair, Livestock Show and the Exhibit Building. The Exhibit Building needs the most help August 23-26 for receiving, judging and display of exhibits. The position created for youth to help with State Fair is called Teen Staff. Teen Staff stay at the fair in “dorms”. This is a great opportunity for state leadership and a lot of fun. The days you work are flexible – we work with your school and activity schedule. It really is fun and you get paid! Questions? Call Lynette or talk with previous “Teen Staffers” Carly or Laura Lowe, Hannah or Hailee Olheiiser, Kayla Coulter, or Emily Cyphers.

New Member Enrollment Deadline
Leaders: If you have new members who have not yet enrolled in 4-H, the deadline for new member enrollment is Tuesday, June 1st at 5 p.m. if they wish to show at fair this year. Members enrolled after June 1st can still participate in regular club activities but will not be allowed to show at the fair. Call Susan if you have any questions about whether or not we have your members’ enrollments!
IMPORTANT NEWS ABOUT FAIR

Fair Super Positions Still Needed

Do you have a few days you can give to the 4-H program? We are still in need of a few fair superintendents in the Small Animal barn and Expressive Arts program areas. We are also in the need of a 4-H Building Assistant Superintendent. Please contact Lynette for more information on these critical positions.

In our continued efforts to ensure as smooth a county fair as possible, special dates and times have been set aside for important information sharing. Mark your calendars for these important and informative events!

Fair 101
This time together is for leaders, parents and 4-H members to learn how to prepare 4-H Exhibit Hall entries to meet the requirements for exhibiting. We will help you find the needed information in the 4-H Fairbook and explain the why’s and how-to’s of filling out the required accompanying exhibit and explanation cards. This is also a great time to get your questions answered regarding interview judging, contests, activities and any other questions you may have. When: **July 15, 6:30–8:30 pm**. Where: Wasco County Extension Service.

Fair Survival 102
This time is set aside for leaders, parents and 4-H members to discuss the upcoming fair. Topics to be covered include herdsmanship, camping during the fair, livestock in the proper classes, quick discussion of additional activities and classes in which livestock members may want to participate and much more. When: **July 22, at 6:30–8:30 pm**. Where: Wasco County Extension Service.

Mandatory All Leaders Meeting Scheduled

All Leaders must attend the meeting regarding the 2010 Wasco County Fair on **Tuesday, July 13**, scheduled for 7:00 pm in the 3rd floor Lecture Hall in Building 2 of the Columbia Gorge Community College. **All leaders, superintendents and junior superintendents need to attend**. This meeting will inform you of changes occurring for the 2010 Wasco County 4-H Fair and auction.

Possession Dates to Remember: All 4-H members must own or lease their animal by June 1st or prior to the spring weigh-in dates (whichever comes first) in order to participate in County Fair. The only exception to this rule is for the pen of fryers where the bird or rabbit cannot be older than 6 weeks of age. Members leasing an animal must have a copy of the lease to the Extension Office by June 1st.

Reminder: An exhibitor may enter (and bring to fair) only **two** entries of each species in a market class. This includes overweight and underweight animals.

Reminder: Breeding classes are for exhibitors who are raising **breeding** animals and enrolled in a breeding project area. Overweight, underweight or “extra” animals raised for auction are not to be entered in breeding project classes.
Junior Supers Still Needed

We need a few good 4-H members… Hey, Intermediate and Senior 4-H members, have you considered applying to become a Junior Superintendent?

This program is designed to provide leadership and community service opportunities for older 4-H members through assisting adult superintendents in managing county fair activities. Your possible duties include: hosting in the 4-H Building and/or barns, clerking, helping run contests, distributing ribbons, staffing the 4-H office, distributing admission bracelets, staffing 4-H promotion activities, setting up and taking down facilities for fair, checking in exhibits and running errands. We are hoping that all superintendents will be able to have the help of one or two Junior Superintendents.

Information on this program is available on the web-site or by calling Lynette. **Applications are due June 13th.** You must re-apply even if you were a Junior Superintendent last year.

The selection process will include review of the application and letter of recommendation and an interview of finalists by the superintendent and agent. Youth will be notified of their selection by July 2nd. Chosen youth will be expected to attend a Junior Superintendent training on July 13th from 4:30-6:00 pm followed by the mandatory Leaders’ meeting from 7-9 pm and the mandatory Superintendent training scheduled for July 27th.

Parents: Keep Your Children Safe

Help us keep your children safe by providing appropriate supervision at 4-H activities, including events occurring at the Auction Yard and fairgrounds. **It is the parents’ responsibility to provide supervision for their children.**

Do NOT assume that the club leader, other volunteers, or the 4-H staff are watching your children. These folks are managing the activities; not the participants. If you cannot be present with your children at 4-H activities, be sure to make arrangements with another adult you trust to do so.

Remember that 4-H activities are often open to the general public; so there is no way to ensure a risk free environment. Also remember, many of the venues in which 4-H activities occur are privately owned and we must respect their property and business and their risk management by not letting the children (4-H members, siblings and friends) run free without supervision. Keep your children safe – know the risks and watch your children.

Camping Reservations at Fair

Remember, everyone must make a reservation if they want to camp at the fairgrounds during fair. To make your reservation, send an e-mail indicating your first, second and third choice of camping spots to: wcfgcamping@gmail.com. If you are a fair superintendent, you may reserve your camping spot between June 5-11, 2010 and 4-H members between, June 12-18, 2010. Confirmation indicating receipt of the e-mail will be sent from the fairgrounds within two weeks. Questions? Call any Fair Board member. The Extension Office is not in charge of camping.

Livestock Auction Weigh-in

If you intend to show a market lamb, hog or goat at the 2010 Wasco County Fair, your animal must be weighed and tagged at one of the county weigh-ins. Official weigh-ins will be on Friday, June 4th from 3:00–6:00 pm at the auction yard and Saturday, June 5th from 8:00–11:00 am at the fairgrounds.

**Due to safety and liability concerns, all children under the age of 9 and dogs MUST remain in the vehicles during the weigh-in at the auction yard.**
All animals need to receive some basic health care. Some of the tasks that need to be done for all animals include:

- Monitor and control parasites – worms, lice, mites, coccidia, flies, grubs...
- Check hooves or toenails. Do they need to be trimmed or treated?
- Check for body condition. Is the animal too fat or thin? Review nutrition and feeding. Are you meeting the animal’s nutritional needs for its stage of life and production?
- Vaccinations and annual boosters. Talk to your veterinarian and determine what diseases to vaccinate for. Some projects require specific vaccinations of your animals so that you may participate in group events, such as the dog project. Contact the Extension Service to get a copy of the specific rules.
- In addition there is concern about specific diseases with certain projects, including: Horses-West Nile Virus; Swine-Erysipelas; Beef and Dairy Heifers – Brucellosis
- Make certain that all project animals are properly castrated, dehorned, and tails docked, if required.
- Ear tag your sheep and goats with Scrapie Tags.

The publication, “Keeping Your 4-H Market Animals Healthy,” (4-H140) contains more detailed information about livestock health concerns. Ask for a copy at the Extension Office or view it online at: [http://oregon.4h.oregonstate.edu/animal-science](http://oregon.4h.oregonstate.edu/animal-science).

Before any animals are unloaded from the trailer and put into stalls or pens they must be checked by the species’ superintendent for illness, disease and unacceptable conditions (such as horns, rectal prolapsed). Please, do not unload your animals until this has occurred.

I would not be doing my job if I did not remind you of the tax responsibilities that are a part of selling and buying an animal at the auction.

The Internal Revenue Code section 61 specifically states that “Except as otherwise provided in this subtitle, gross income means all income from whatever source derived.” Income received from the sale of an animal at the auction is clearly taxable to the 4-H member. In most situations, the member would file a Schedule F to report the income. There is no basis for a position that only income in excess of $600 is taxable. This seems to be a misunderstanding of the filing threshold for Forms 1099. At least three attempts have been made to make 4-H and FFA auctions exempt, but all have failed. Therefore, as it stands now, all 4-H members who sell at the auction are responsible for reporting that income to the IRS.

Animals sold through the auction never become property of Wasco County Youth Livestock Auction, 4-H, FFA or the Fair board. They are simply the venue through which they are sold. Therefore, the money spent to purchase an animal is not tax deductible. The person purchasing the animal is supporting the youth who raised the animal, not the non-profit the youth is a member of. The purchase of the animal may be deductible as a business expense given that purchase is “ordinary and necessary in the conduct of the purchaser’s trade or business”. I would suggest purchasing individuals speak with their tax specialist before assuming their purchase is deductible. Please consult your tax advisor with any questions.
Several comments, issues and discussions have led to a decision to revise the award system for Wasco County 4-H youth. If you have opinions, suggestions or want to be on the committee for this much needed revision, please contact the Wasco County Extension Office at 541-296-5494.

The Wasco County 4-H Program believes in recognizing youth for a job well done. This recognition is not possible without donations from community members, businesses, 4-H parents, leaders and other interested parties. Any size monetary donation is appreciated. Please contact Lynette for more information.

In the continued efforts to keep the Wasco County Fair afloat, the fair board has created the following fundraising programs.

1. For the public: you can support the fairgrounds by purchasing picnic tables for the Fairgrounds. The onetime cost is $250 and a 6" X 8" brass plaque with your name and information on it will be mounted to the table. The plaques can be In Memory of Plaques, Business Plaques, or just Sponsored by Plaques. For more information contact Micheal Hunt at 541-544-2027.

2. For the businesses of Wasco County wanting to support the Fairgrounds: they have 4’ X 5’ advertising spaces across the back of the grandstands. Cost for this is $300 annually plus the cost of the sign which will be approximately $150 depending on your Signs needs. You can use your own sign company (sign must be approved by Fair Board). Signs will last 3 to 5 years and the business is responsible for maintaining and replacing the sign as needed. Those who would like to participate or those with questions can contact Micheal Hunt at 541-544-2027. Ken Polehn 541-296-1428

3. Ken Webb Memorial Kitchen: The Ford Family Foundation is working with the Wasco County Fairgrounds to build the Ken Webb Memorial Kitchen. This kitchen replaces the old “coke shack’ located behind the grandstands. They are “selling” 4”x6” bronze plaques for $25.00. These plaques can have your name or family name or 4-H club name on them, and will be placed on the new kitchen’s outside wall. If you would like to support the building of the new kitchen, please make the check out to the Ford Family Fairground Fund and mail it to P.O. Box 26, Tygh Valley, OR 97063. For more information, please contact Sue Awmiller at 541-298-5383.

The BUZZ about After School…

By Holly Morris

The end of the school year is here and that means the after school programs are quickly coming to an end. We had a wonderful and exciting year with many different natural science projects that will begin again in September.

The Dalles Middles School Garden is off to a great start. Youth involved have put a lot of effort into making the vegetable garden a success. This will be a continuing project throughout the summer as well as into next academic school year.

The Dalles Middle School Technology club will be meeting once a week throughout the summer. This gives youth a wonderful opportunity to continue gaining knowledge in science, technology, engineering, and applied math. We will be exploring Geographic Information Systems and geocaching, aerospace dynamics, as well as renewable energy. All enrolled 4-H members are welcome to attend these meetings.
The development of sportsmanship is an important part of youth development. To become contributing, competent, caring, capable adults, youth must develop the knowledge, skills, attitudes, and aspirations of sportsmanship. Parents and supporters are asked to help their children develop sportsmanship by setting a good example and demonstrating sportsmanship before, during, and after competitive programs.

Here are some ways you can help your child learn to be a fair and generous competitor, a good loser, and a graceful winner. Teach and encourage them to:

- Maintain high standards of personal behavior—remind them that they represent your family, your community, and the program.
- Accept that the nature of competition is seeking to get what others are seeking, which results in both winners and losers.
- Learn and follow the rules.
- Be objective, and give people the benefit of the doubt.
- Show integrity, be honest, fair and straightforward in everything they do.
- Be well-mannered and show respect. Treat people and animals kindly.
- Be pleasant and friendly toward other participants, spectators, program officials, judges, the media, supporters, and others.
- Hide ill humor, refrain from arguing, and keep emotions under control.
- Accept judges’ suggestions and the results with a positive attitude.
- Congratulate winners.
- Don’t gripe, complain, or make excuses when they do not win or do well.
- Recognize, appreciate, and try to learn from the accomplishments and admirable traits of others, and improve from their own shortcomings.
- Be a gracious winner, without gloating, bragging, or acting conceited.
- Politely ask questions if she/he has them, express concerns he/she may have, and make helpful suggestions to program officials and organizers.
- Applaud for your children, your friends, and others for whom you wish to express appreciation and admiration.
- Do not boo, heckle, make disparaging remarks, or insulting comments.
- Listen and be quiet when participants are introduced, when officials are making announcements, and when comments are being addressed to the audience.
- If you have questions, concerns, or suggestions, be polite in expressing them. Criticize in private, and compliment in public.
- Be considerate of the time officials have to spend with you, and of their other responsibilities. Schedule an appointment if you need more time to talk to them. Submit compliments, concerns, and suggestions in writing with your signature.

Show courtesy towards others. For example:

- Do not block the aisles, by sitting or standing in them.
- Do not block other people’s views when taking pictures or videos.
- Throw away litter. Do not leave programs, drinking cups, or other trash for someone else to clean up.

Enjoy the program and accept our appreciation for setting a good example for today’s youth.

From Tillamook Tides (Tillamook County 4-H Newsletter) Thank You!
Horse Camp  
The 2010 Klickitat County 4-H Horse Camp is coming and it has a new name and a new feel! New Name: 2010 4-H Horse-O-Polis  
Date: July 11-14, 2010  
Check In: 3 pm to 5 pm on Sunday, July 11th (unless pre-arrangements are made)  
Youth Riders will have the option to select 2 or 3 riding lessons per day.  
Youth Riders will all have Showmanship each morning.  
All food is included with the first meal at 5:30pm on Sunday.  
Cost is $120 for 2 lessons or $150 for 3 lessons per day  
The cost includes: 9 meals, 3 desserts, lessons, showmanship lessons, craft, 1 bag of shavings and 2010 4-H Horse-O-Polis T-shirt, if the registration is postmarked by June 15th. The registration packet will be emailed and mailed to last year’s participants by May 10th.  
BIG CHANGE---The hours of 4-H supervision will be 7am to 9pm each day--all riders must have a designated on-site responsible adult overseeing them during the day and especially at night. Further information will be in the registration materials.  
Questions? Contact Jeanette Johnston at 509-493-3278 (jeanette486@yahoo.com) or Nancy Beyerlin 509-773-4746 (beyerlin@gorge.net).  

Upcoming Shows  
Bow-Wow by the Sea 4-H Dog Show: Saturday, June 5th at the Lincoln County Fairgrounds. Contact Sue Giles Green at 541-444-9247 for more information.  
2010 Tillamook County 4-H Cavy Show: Saturday, June 12th at the Tillamook County Fairgrounds. Contact Scott or Cyndi Walker at 503-815-8355 or CPFeiffer_1@yahoo.com for more information.  
Northwest Sheep Show and Sale: Saturday, June 12, 2010 at the Kootenai County Fair Grounds in Coeur d’ Alene, Idaho. Contact the Wasco County Extension Service or United Suffolk Sheep Association at 435-563-6105 or Unitedsuffolk@comcast.net for more information.  
Annual Fun Match Dog Show: Saturday, June 12, 2010, at the Umatilla County Fair Grounds in Hermiston. For more information, contact Kim Long at 541-571-2927.  

Photography Contests  
Ghost Town Safari and Craig's Office Supply is sponsoring a photo contest with prizes and cash awards for the top photos. Please contact Robert Davis at 541-296-2553 for more information.  
Poultry Health Calendar features photos of poultry. They are looking for photos to feature through this calendar. Entry deadline is August 31, 2010. Contact the Wasco County Extension Service for more information.
Mixed Messages

Megan Elam reported finding the clover in last month’s issue of the newsletter.

Did YOU find it?
(It was hidden in the bouquet on the Mixed Messages page)

Will YOU be the one to find it this month?

Want to sell an animal at auction this year?
Remember every member who raises an animal for sale in the auction is required to complete the Market Animal Health form and C.O.O.L. form. These forms are species specific and are used to keep track of all medications and treatments given to the market animal while it is in your possession. This is part of the Quality Assurance program and is very important that every youth/parent and leader works to maintain the integrity of the meat in the auction. The Market Animal Health Record and the C.O.O.L. Affidavit will be copied back to back and handed out at the initial weigh in. Both sides of this form need to be completed and turned in with your Fair Entry Form. If the two forms (one sheet of paper) are not in by the final weigh-in at fair, the animal will not be allowed to weigh-in.

The COOL Regulation is a simple form; however, it requires the signature of the person you purchased the animal from. These forms will also be available on our web site.

Leadership Quote of the Month:
Failure is an event, never a person.
~William D. Brown

The Fair book is coming!
The Fair book is coming!
The 2010 4-H portion of the Wasco County Fair book will be posted on our website soon.

Stay tuned...

Did you know...
...4-H leaders must review and sign your fair entry this year before it will be accepted?

Plan ahead—The deadline for Fair Entries is Monday, July 19th and must be in to the Extension Office signed with your money by 5 pm!

No late entries will be accepted!
4-H Youth Summer Day Camp Opportunities

There is still time to sign up for one of the many day camps that 4-H is offering this summer! See below for descriptions of camps you don’t want to miss and check out our website for complete registration details!

**Science Day Camps**

Excited? We are. Mark your calendars for July 6th-9th for these exciting day camps in The Dalles from 9:00 am to 4:00 pm Tuesday through Friday. The cost is $20/day or $65/week, bring your own lunch.

*Day 1: Science of Technology*

Science and technology go together like apples and caramel. Renewable Energy is the ultimate combination of both. Today, we will explore solar, wind, water and bio fuels as vessels to create energy. Can you say “build your own solar powered equipment”?

*Day 2: Physics is Phun*

Way back in 1687 this guy named Sir Isaac Newton released the culmination of his study and research. The result of his work is called Newton’s three laws of motion. Think he knew that hundreds of years later his “discoveries” would lead to a transformation of the way we travel? Aerospace adventures are the subject of today. We will become part of the flight crew as we design, develop and achieve lift off with our selected form of transportation.

*Day 3: Where are We?*

We live in it every day. Every morning we wake up, eat, play and enjoy our lives on it. What is “it”? Earth! It is the third planet from the sun and the only one (we think) that has life on it. So, where are we on this huge planet called Earth? Geospatial science helps us figure that out. Today we will explore our little place on this planet through Global Positioning System (GPS) units and Geographical Information System (GIS) mapping software. Oh, and yes, we will go geocaching.

*Day 4: Fun with Chemistry*

The products used to clean our home and to clean and protect our body are all carefully formulated using chemistry as the basis for choosing ingredients. Some of the resulting products are safe for our environment and others are questionable. Today, we will use chemistry as we create our own Eco friendly cleaning and personal products. We may even do a couple of experiments that result in something to play with.

**Geo Camp – The Dalles August 2-4**

This special focus camp is specially designed to lead to appreciation of the amazing event that led to the creation of the fabulous area in which you live. We will examine the geology of the environment, how this geology was formed, how earth movements (earthquakes), active mountains (volcanoes), wild water, and climate changes affect the region. We will discover hints to the past by evaluating fossils.

Dates: August 2-4  Cost: $30.00 – Bring your own lunch.

**Sewing/Quilting**

Love to sew? Want to learn how? This day is all about the skill of sewing. If you don’t know how to sew, come learn. If you already know, come sew with us and increase your skills while completing a fun project.

Date: June 21st, 10 am to 4 pm.  Cost: $20.00  Location: The Cotton Shop.

Notes: Bring a lunch!

**Cooking**

Today is all about cooking. Learn to read a recipe, measure correctly and follow directions to create sumptuous things to eat! Basic nutrition information is a must if we are to eat well! Date: June 22nd.  Cost: $20.00  Location: St. Paul’s Episc.

**Photography**

Like to take pictures? Today we will explore photography techniques using digital cameras. We will learn how to take a good photo and how to use our cameras to their fullest potential. We will also learn how to use photo manipulation software to create fun, unique photos.

Date: July 12th, 9 am to 3 pm.  Cost: $20.00  Location: Extension Service

**Living History**

Do you love the Little House on the Prairie books? Have you dreamed about living Laura’s life? Now you can! During this camp you will make your own doll, spin your own yarn, cook food like Laura, play the games Laura played and participate in the chores Laura did.

Date: Tuesday and Wednesday, July 20-21, 9am – 2pm. Cost: $20.00  Location: Ft Dalles Museum’s Living History Wagon.
The meeting was called to order.
Treasurer’s report and minutes were approved.
Agent’s Report included: Tech Exploration Day is Sat. May 22. from 10:00 am to 3:00 pm. There will be classes and hands-on activities for 4-12th grades and Wonderworks for younger ages.
Jr. leader Training is May 26th this month.
Jr. super. for fair applications are due in the office June 14.
Summer conference applications are due in the office June 1. There are 5 applications so far.
Deadline for animal leases, membership, or switching clubs is June 1.
We are in need of donations for scholarships to summer day camps and 4-H Camp Morrow.
Master showmanship clinics will be July 11 at the fairgrounds.
Two new meetings for Fair survival (101 and 102) will be July 15 and July 22 from 6:30-8:30pm. These class are for parents and leaders on how to prepare for fair, what activities are available and what to expect at fair.
A plan is in place to install motion detection lights inside each barn.
Several people who donated a large amount of money for prizes have not received a thank you. Remind your members that a thank you needs to be sent when they receive an award. Some discussion was held on whether or not to continue with the award system as it is set up. If you have any thoughts on the subject please let a leader know, or send a letter to the extension office.
The new well at the fairgrounds is in and doing well. One of the bathrooms froze this winter and did a lot of damage.
The fairboard is selling picnic tables and also donkeys for the rodeo. if you know of anyone interested contact a member of the fairboard. Also For just a $25.00 donation you can have a plaque on the new Webb kitchen.
Remember there will be a mandatory leaders meeting July 13.
The goal is for the 4-H section of the fairbook to be available on-line and in the Extension Office around June 1st.
Meeting was adjourned.
