The first step to joining Wasco County 4-H is to fill out the interest form located on the last page of the brochure entitled “4-H Recruitment”. Mail this form WITHOUT any money to the Wasco County Extension Office. This form DOES NOT enroll you in 4-H. It merely expresses your interest in joining 4-H and lets us know what project areas you would like to explore.

Once we receive your form, we will try to find a club that matches your project interests. We will contact the club leader who will then contact you. At this point, you will fill out a 4-H enrollment form, health form, and code of conduct and turn them in with the appropriate fees.

The new 4-H year begins in October.

As always, if you have any questions regarding 4-H, don’t hesitate to call us at 541-296-5494.
