Directions to OSU/Wasco County Extension Service on the campus of Columbia Gorge Community College:

Traveling east on Interstate 84, take Exit 85, The Dalles. Turn right, across the overpass, then turn right at the stop sign.

Go 50 yards and go around the roundabout, driving uphill on Brewery Grade. After cresting the hill, you'll be on 9th street for a very short way – turn right onto Dry Hollow Rd.

Continue straight at the 4-way stop for about ¼ mile. At the next 4-way stop (intersection of 19th and Dry Hollow) make a right turn.

Travel about one block, then make a left turn onto East Scenic Drive. There will be a green sign there that reads “Columbia Gorge Community College” with an arrow pointing left.

Follow Scenic Drive up the winding hill to the entrance of the College campus. Follow the signs once you are on the campus to Building 2. Wasco County Extension is located on the second floor, south wing.
