

Vineyard Pruning Workshop

Friday, January 25, 2008

8am-noon

This Columbia Gorge Community College/OSU Extension class introduces the basic botany of grapevines. It will cover vine pruning techniques and emphasize the importance of pruning decisions as related to crop management and production. Please plan to carpool to one or two vineyards in the Hood River area. Includes lunch.

The class will meet at the Hood River Extension Office, 2990 Experiment Station Drive. Patty Skinkis, OSU Viticulture Specialist, will be the instructor.

\$20 Registration fee; Call 506-6011 to register (CED 0702)
