

# Citizen Participation Organization 15

**Wednesday, November 18, 2009**

6:30 p.m. Opportunity to sign up for Neighborhood Watch Program

**Forest Hills Golf Course**  
36260 SW Tongue Lane, Cornelius

## **AGENDA, 7 P.M.**

- **Welcome and Introductions:** Peggy Harris
- **Sheriff's Deputy Report** (if available)
  
- **Program #1 Sabino Sardineta, Executive Director El Centre Cultural of Washington County**, will speak on the important work of El Centre Cultural which is a "One Stop" education center. Centre enables people to navigate the new system adopted in a new land. It increases cultural consciousness and understanding among the diverse groups in the community. El Centre Cultural is an important resource in our community that we all need to know more about.  
**Please come and bring your questions, and neighbors so you can learn more about this important program in our community.**

### **Break for cookies and conversation**

- **Program #2 Holly and Jim Witte will talk about how they developed their vineyard, A Blooming Hill Vineyard.** They will discuss:
  - How they choose this area
  - What it takes to develop a vineyard
  - What they are doing with their wines and how they are marketing them
  
- **Johnson School traffic safety issues update.**
  
- **CPO Reports and Updates if time.**
  
- **Update on Neighborhood Watch Program for our area—Come find out about it!**
  
- **Please bring coats for the coat drive** (see article on page 2)

**Please put the following dates on your calendars. Our CPO meets every other month.** We are organizing interesting speakers of vital interest to our CPO 15 and we need your support, ideas and attendance. Our meetings are the third Wednesdays of every other month. Circle these dates for CPO 15 meetings and let all your neighbors know!

- Wednesday, January 20<sup>th</sup>, 2010
- Wednesday, March 17<sup>th</sup>, 2010
- Wednesday, May 19<sup>th</sup>, 2010

## **You Are Invited**

You are invited to the CPO 10 meeting, **Thursday, November 19<sup>th</sup>**, 7:00 at Jackson Bottom Wetlands Education Center to hear Darrell Hedin, Watermaster with the Oregon Water Resources Department. He will give updates on legislative changes, water resources, aquifer recharge systems (ARS) and will answer questions about surface and ground water.

For the entire agenda, please go to: <http://extension.oregonstate.edu/washington/cpo-10-newsletters-amp-agendas> .
