-Wanted - CPO 5 Leadership Team to Rebuild a Vibrant Community Forum

After two years of inactivity, several of your neighbors have come together to reactivate CPO 5 which will serve as a public forum on land-use and livability issues in Sherwood, Tualatin and surrounding areas. Now they need others to join them in forming an organizing team to take the CPO to the next level.

Please come and explore your place on the Leadership Team – a place that takes into account your time constraints, interests, abilities, level of skill, and commitment to community.

The June 23rd meeting will focus on

- Forming a Leadership Team
- Nominating CPO officers (chair, vice chair and secretary)
- Identifying community concerns and future meeting topics

Whatever your interests – I-5 to 99 connector project, traffic gridlock, parks and trails, neighborhood vitality or the potential impacts of the Urban and Rural Reserves decision (to name a few) – your CPO is committed to providing a place for balanced information and informed discussion on topics that affect people where they live and work.

It's not too late to be part of shaping the future of this community organization! Please join the conversation on how the CPO can best serve the needs of southeast county residents.
