AGENDA

7:00 Welcome, introductions and agenda review

7:15 Winter Preparedness.

- Do you know what to do during a power outage? Do you have a 72-hour emergency kit for your home and vehicle? **Sharon Kennedy, Emergency Manager for the city of Hillsboro** will discuss how to prepare for winter's unexpected events. You never know what winter will bring – Sharon can provide the information for us all to be prepared.
- **Donald Shaw, Energy Advisor with the Energy Trust of Oregon**, will discuss how to reduce energy costs at home and keep your home warm and comfortable this winter. He will also discuss the Energy Trusts free services as well as the various financial incentives available to help residents afford the costs of various weatherization projects and heating system upgrades.

8:30 Announcements: A time for CPO members to bring up issues of concern or announce upcoming events of interest.
