AGENDA

7:00 Welcome, introductions and agenda review

7:15 **Community safety** is the focus of CPO 9's October 12 meeting. Crime prevention specialist, Julie Carrasco, from Hillsboro Police Department will be on hand to answer your questions and provide information about how you can help keep your family and your neighborhood safe through environmental design. Below is a link to an article on crime prevention through environmental design, so you can become familiar with the topic.
