Welcome and Announcements

Presentation:  TVFR New Response Vehicles: A representative from Tualatin Valley Fire and Rescue will be on hand to discuss the new rescue vehicles being utilized by the local King City fire station. The new vehicles are operated by one or two firefighters and provide a low cost way for firefighters to respond quickly to incidents. Come learn about the savings and the services which will be accommodated with this new concept.

Presentation:  What's New at Deer Creek Elementary? Carole Biskar, Principal of Deer Creek Elementary, will provide information on operations and activities at our local elementary school. She will describe volunteer opportunities and needs of the school. Take this opportunity to meet Ms. Biskar and learn more about our local school.

Open Forum: An opportunity to bring up neighborhood issues, concerns or ideas for future CPO meetings.
