CPO 6 meeting notes, 10/7/10

- Donald Shaw of Home Energy solutions talked about options for energy savings for your home. He talked about putting in insulation, windows, incentives. He gave out cards for asking for energy evaluations for your home.
- Eric put out a sign-up sheet for endorsing sidewalks for a park area.
- Deputy Maller talked about the upcoming levy for funding. There have been 7 car break-ins since last night in the CPO 6 area. Make sure you lock your cars and don’t leave items of value on the seats. He talked about property crime calls that took place in the CPO 6 area.
- Eva Calcagno from library services spoke. The co-op library has been running for 34 years. Gaston, King City and Durham are not part of the system. The county and cities fund the co-op library system. Anyone can use the library services. You can use the library services countywide and go to any of the libraries in the system. There are 1.5 million books, films, etc for use. There are also computers for use. Most of the libraries are open 7 days a week. They have a service to mail items to homebound residents. In the last two years there has been an increase of checkouts by 32% and visitors by 22%. Ms. Calcagno opened up discussion for questions. The levy is $0.17/ $1000.00 tax assessment.
- Bill Berg is running for District 28, the Beaverton to Aloha area. His main goal is education and creating new jobs that aren’t government jobs. Controlling spending is a big issue. Spending has increased from $40 billion and cannot continue. There needs to be changes in budgeting for services. He took questions from the audience. Planning Commissioner Liles Garcia gave Land Use updates. There is a notice for a hearing on the Buddhist Religious institution. Also a sub-division near Farmington and Grabhorn Rd for 94 homes.
  - Nominations:
