7:20 Minutes

**7:30 Program: Where are you going with all that dirt?
or The Real Dirt on Soil Fill**

Soil fill activity has been a topic of interest and concern for many years in the CPO 8 area, and most recently this spring and summer. We began taking a closer look at policies and practices at our September meeting, and will continue the discussion tonight:

- Dean Moberg, District Conservationist, USDA-Natural Resource Conservation Service (NRCS)
- Jim Johnson, Land Use and Water Planning Coordinator
- Oregon Dept. of Agriculture Spokesperson (invited)

8:15 Break for Refreshments

8:30 Reports and Updates

- Development applications
- Recommendations to Transportation Plan Update Citizen Advisory Committee
- Aviation Issues

8:45 New Business/Proposals/Issues

9:00 Adjourn
