

Western Region Renewable Energy Survey

1 Please rate your assessment of the level of public interest in renewable energy in the communities with which you work.

- Very high
- High
- Moderate
- Low
- None
- Don't know

2 Please rate your assessment of the level of public interest in energy efficiency and conservation in the communities with which you work.

- Very high
- High
- Moderate
- Low
- None
- Don't know

3 Rate the level of assistance currently provided in your community for energy related services by each of the organizations listed below:

	1 Don't know	2 No assistance	3 Very little assistance	4 Some assistance	5 A great deal of assistance
Federal Government	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
State Government	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Climate change	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5
I have not received any energy related inquiries or requests	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5

6 Please identify any areas not listed in question 5 above.

7 How have you responded to energy related requests for information and educational programs? Check all that apply.

- Nothing, it is not in my job description
- Referred to other agencies/organizations
- Located and distributed information to clientele
- Prepared/Submitted grant application(s)
- Held community forums/displays
- Engaged in self-learning/professional development
- Prepared brochures or fact sheets
- Written articles or broadcast media stories for local clientele
- Prepared/delivered lessons/presentations for clientele
- Collaborated with in-state Extension colleagues to create/deliver educational programs
- Collaborated with out-of-state Extension colleagues to create/deliver educational programs
- Collaborated with non-Extension colleagues to create/deliver educational programs
- Other, please specify

8 Do you, or are you aware of anyone in your office who does renewable energy or energy efficiency work with K-12 teachers and/or students?

- Yes
- No
- Don't know

9 If yes to question 9 above, briefly describe the work being done and please identify the name of the primary Extension contact for this work?

10 Would an expanded role from an Extension Energy outreach program be of help in your work (through easier referrals, support, etc)?

- Yes
- No
- Not sure
- Need more information, please specify

11 How interested are you in having access to each of the following energy related resources?

	1 Not interested at all	2 Not very interested	3 Neutral	4 Somewhat interested	5 Very interested
	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5
In-service training/workshops	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5

- 12 Check each of the following energy related resources that you are aware of, and that you have used or referred someone to within the past year?

	1 Aware of	2 Used/referred
US Department of Energy Best Practices website	1	2
Northwest Energy Efficiency Alliance	1	2
WSU Energy Program Clearinghouse	1	2
USGS Western Energy Resources Program	1	2
Western Energy Institute	1	2
Western Area Power Administration Energy Services	1	2
Western Interstate Energy Board Resources	1	2

- 13 Please list below other energy related resources not identified above that you are aware of or to which you have referred someone in the past year.

- 14 Are you interested in getting involved in energy related Extension work?

- Yes
 No
 Maybe, not sure

- 15 If yes, list the particular energy related topic(s) in which you are most interested below:

16 In your Extension assignment do you work primarily with residents of:

- Rural areas and/or small cities (<20,000 people)
- Medium density areas (20,000-50,000 people)
- Larger cities (50,001-100,000 people)
- Urban areas (>100,000 people)
- I work with regional or statewide audiences

17 Please identify the state/territory where your primary Extension position is located:

18 Check here if your primary Extension appointment is with a Native American College (1994 Land-Grant Institution)

19 If you are interested in being involved in energy related Extension work please provide your name, phone number and email address.
