TOTALS

DESK OR CLINIC HOURS: Service spent answering questions from the public in person, via telephone, or email. Mostly takes place in the MG office. May include hours served at clinics held from time to time in the community or at county or state fairs. Other activities such as answering questions from home if approved by Linda McMahan.

TOTALS

EDUCATIONAL SERVICE: Activities sponsored by Yamhill County's Community Horticulture program and designed to supply appropriate, up-to-date information to the public on gardening and horticulture. These hours directly support the educational mission of OSU. Examples include teaching in the community, assisting or teaching after-school horticultural programs, working with low-income residents in community gardening, giving talks or demonstrations to garden clubs and civic groups, serving on the insect committee, mentor committee and similar activities. Other appropriate activities will be announced via the website or email and volunteers are encouraged to contact Linda McMahan with ideas for this category.
YCMGA ACTIVITIES: Sponsored by the Yamhill County Master Gardener Association. Examples are plant sale, general membership and board meetings, committee meetings, work in the greenhouse or demo garden and work parties. Please contact Cathy Burdett, president of YCMGA or Linda McMahan with questions about whether an activity qualifies for this category.

**TOTALS**

CLASSES: These include time spent learning information useful for OSU Master Gardeners. Examples are workshops on horticultural knowledge or increasing leadership skills. Included are YCMGA programs, advanced training offered in Yamhill or other counties and training offered through the OMGA such as Mini-College. To qualify as recertification hours, the class must be designated as such or approved by Linda McMahan.

CLASS OF 2009 INFORMATION: 65 total hours of volunteer service are required to meet the "payback" minimum. This includes 28 hours minimum of desk or clinic and 16 hours minimum of educational service. The remaining 21 hours can be acquired by additional hours on the desk or clinics, in educational service, or may be spent in any MG program related activity, such as YCMGA projects (ie plant sales and demo garden). EARLY BIRD AWARDS!! Although only 65 hours of payback are required, new class members are encouraged to volunteer additional hours. Any new class member logging more than 100 hours qualifies for special recognition from the Yamhill County Master Gardener Assn. with an "Early Bird" award.

ADDITIONAL LOG SHEETS are available for each category if needed. More details on filling out volunteer hour sheets available on a separate document.
