A Day of Culinary Delight

Join us for a day dedicated to the 4-H foods project. This foods clinic will focus on advancing your skill set in the kitchen while sharing new tips, tricks and techniques as you learn to create new snacks, try new food ingredients and have a day filled with adventure in the kitchen. Join fellow food project 4-H members and leaders for a Saturday filled with

sharing and surprises.

Classes will focus on an array of topics and bring you together with those in our community who have a passion for food and teaching. We'll explore the many flavors of seasonings, work on advancements and learn about the art of cooking and so much more. It'll be a day that will delight the appetite.

Thanks to Generous Support

Thanks to those that have already stepped up to support this clinic. As a result we have many surprises in store for our participants. This is one workshop you will not want to miss.

Thanks you :

Masters of the Kitchen 4-H

You can only imagine the creativity we will inspire. So come spend the day with us at Amity High School as we focus on consumerism while challenging the culinary skills of each participant. You won't want to miss this!

Schedule

The day will be filled with a fast pace of discovery. Workshops will range in topics and be taught by 4-H alumni and leaders, foodies and chefs. By registering you will participate in at least 5 workshops, partake in a networking lunch with other 4-H members and leaders and gain valuable resources to build your recipe collection.

Register soon to guarantee your space at this workshop.
