4-H ROLES & DEFINITIONS

Cloverbud Member - 4-H’ers in grades K-3, participating in a group that is predominantly K-3, possibly older 4-H’ers. Children are encouraged to work cooperatively to explore topics ranging from the miniature world of insects to family celebrations around the world. Participation is limited primarily to local club activities and county wide educational activities. Cannot be enrolled in any specific project or have contact with large animal project, i.e., Horse, Llama, Beef, Dairy, Sheep, Swine, Dairy Goat and Pygmy Goat etc. Eligible to participate in county fair Adventure activities in a non-competitive environment and does not receive premium money at county fair. Cloverbud members are not eligible for 4-H State Fair competitions.

Junior Member - 4-H’ers in the 4th, 5th, and 6th grades.

Intermediate Member - 4-H’ers in the 7th, 8th, and 9th grades.

Senior Member - 4-H’ers in the 10th, 11th, and 12th grades.

Junior Leader - 4-H’ers in the 7th through 12th grade; must have completed one year of satisfactory 4-H work or equivalent experience and have approval of the adult leader. NOTE: This member works with the adult leader(s) in deciding the specific responsibilities they will assume within the club. This is a member project, therefore, members must enroll with the project code on the enrollment form.

Teen Leader - Any youth in the 10th through 12th grade; must be approved for teen leadership by a 4-H leader and Extension staff member. Assumes total responsibility for leading a 4-H club. NOTE: Teen leadership is a project, therefore, members must enroll with the project code on the enrollment form.

Project Club Leader - Volunteer responsible for project learning and the various activities, rules, procedures related to the project area.

Club Contact Leader - Volunteer responsible for the organization/accountability of the club and seeing that all members/leaders have necessary project materials. They may also lead projects and activities.

Assistant Leader - Volunteer who assists the project club leader and or primary club leader in accomplishing the goals of the club.

Activity Leader - Volunteer who devotes time and talent to a specific 4-H activity (recreation, field trips, club pre-fairs, etc…) These are typically county-wide activities.

Resource Leader - Volunteer who assist other leaders by sharing knowledge and skill.

Parents - Provide support, encouragement and interest for their children, for the 4-H Leader, and for the entire 4-H program.

The Oregon 4-H program year runs from October 1st through September 31st. Members are considered in the grade they are initially enrolled in throughout the entire program year.
