Native Plant Society of Oregon
www.npsoregon.org
information about gardening with native plants:  http://www.npsoregon.org/pos/gard.htm
“Contact local plant nurseries... Ask about the source of the plant material and the propagation method used by the nursery. Ideally, the plants would be propagated from source material (e.g., seeds or cuttings) within your ecoregion. See the NPSO policy on ethical propagation methods for a further discussion on propagation techniques”
