Camping spaces are approximately 20 x 30 feet. They are $22 each per night camped. Large vehicles may have a difficult time maneuvering within the campground due to the trees and other vehicles and may not be able to pull out until after others have left the campground. If you are concerned about spacing, plan on purchasing an extra site and/or being there early in order to get your trailer in place. Oversized vehicles will be placed at West end of campground if unable to fit in assigned spaces.
