1. The Danish merit system of awards will be used for all competitive classes. Exhibits or contestants will be placed in one of the four groups, depending on the quality of the exhibits or performance of the contestant. The four groups will be:
   - Blue – an exhibit that is excellent and meets the established standards for the class.
   - Red – an exhibit that is good but has room for improvement
   - White – an exhibit that meets the requirements of the class, but shows need for considerable improvement.
   - Participation – Cloverbud exhibits and exhibits that do not meet the requirements of the class.

2. Premiums will be awarded according to the blue, red, or white ribbon received, in most cases. Premiums will not be given for market animal classes or certain county-only contests. Non-premium classes are marked with “NP”.
