Estate Planning and Update on Tax Treatment for Woodland Owners

Thursday, January 9, 2014
6:00 – 9:00 pm
Oregon City Fire Station, Station 15
624 7th St., Oregon City, OR

Mike Sterner, Attorney at Law, will be giving a presentation pertinent to many woodland owners.

Topics will include:
- A review of various vehicles for planning your estate (wills, revocable and irrevocable trusts, LLCs, partnerships).
- What questions to ask yourselves.
- What questions to ask others.

This seminar is designed to give woodland owners the basic knowledge to set a framework for estate planning and to define important aspects of the process. Mike will also give a summary of changes to the law for tax year 2013 focused on implications for income tax when harvesting timber. This will include a brief review of depletion calculations, 631a & 631b tax treatment, and qualifying your timberland as a business.

There is no fee. Space is limited and registration is required. Please call 503-655-8631 or email jeann.bremer@oregonstate.edu.
