RULES

1. Members must currently be enrolled in the Clothing and Textiles project. All exhibits must be in the same level. Each member may enter one exhibit per class number in their level, but only 3 construction classes can go to State Fair and any of the creativity and service & education classes for the project level in which they are enrolled. Members and clubs are encouraged to enter Educational Displays.

2. All items entered in exhibit classes should be clean and in good repair. Judging criteria are outlined in 4-H Sewing/Clothing Construction Score Sheet (40-465) and 4-H Sewing/Clothing Creative Expression Score Sheet (40-467). Judging standards are listed in Measuring Up: Quality Standards for Sewn Items/Projects (PNW-197). Skills appropriate for each project level are listed in Sewing Skills Checklist, CO677 available at the Extension office.

3. Each entry will be evaluated on ALL features, not just the skills listed in the respective enrollment levels. For skill levels 1-6 the use of fabrics or skills that are beyond the recommendations for this level are expected to be done well according to the standards, but will neither be given extra credit consideration for increased difficulty nor disqualified during judging. It is in the best interest of the member to stay within the suggested guidelines.

4. A 4-H Sewing/Clothing Exhibit Explanation Card, available from Extension office or at: http://oregon.4h.oregonstate.edu/node/1855 must be securely attached to each entry. The card requests information about the exhibit which is needed by the judge for evaluation.

5. Hangers and/or garment bags are removed from exhibits prior to judging and might not be returned.

6. In addition to the 4-H Sewing/Clothing Exhibit Card, each garment or article in the construction classes must be labeled with the member’s name, county, and project level. This label should be typed or printed in indelible pencil or ink on a piece of white fabric and sewn or fused onto the bottom inside of each piece.
