DESIGNING SPACES

RULES

1. Members may enter up to three classes, one exhibit per class. In the Designing Spaces project, items produced by the 4-H member are developed within the context of the over-all design/plan of a specific location. The classes align with the four elements of designing a space: designing a room, furnishing a room, finishing a room, and creating a healthy room environment.

2. Judging criteria are outlined on the appropriate evaluation form: Furnishing & Finishing Designing Spaces (340-01) and Designing and Making Healthy Designing Spaces (340-02). To qualify for judging, a 4-H Designing Spaces Exhibit Explanation card must be attached. The explanation card and evaluation forms are available in county Extension offices or on the State 4-H website at: http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family

3. In addition to the exhibit tag, each piece of an exhibit must be labeled on the back or bottom with the member's name, county, and exhibit class number.
