The following list details the generous contributions of our community sponsors for special division awards earned by Douglas County 4-H youth at county fair and contests associated with county fair for our current 4-H enrollment year. Each sponsor has provided our awards committee with the ability to supply 4-H youth participants an award that distinguishes their project work as having achieved the highest possible rank within our counties participants. **As such, each 4-H youth participant is required to send their award sponsor an appropriate thank you note acknowledging their support of youth in the Douglas County 4-H program. During the show as participants receive their placing’s they will be given a preaddressed thank you note card and envelope to be completed by the member and returned to the 4-H office where they will be given their special award at that time. This is a new policy to help ensure that our donors are receiving prompt and appropriate appreciation.**
