General Announcements & Congratulations

4-H Enrollment Deadline-June 1 for New Members and New Projects

June 1 is the deadline for new members to enroll in the 4-H program (except day camp participants) in order to be eligible to exhibit at the Tillamook County Fair. Current members can also add new 4-H projects until June 1.

All members enrolled as of June 1 will receive a letter in mid-June with details about exhibiting in the 4-H program at the Tillamook County Fair. Enrolled 4-H members must complete a fair entry form by Friday, July 10 listing the exhibits they plan to bring to the Tillamook County Fair.

♣♣♣

New Projects Can Still Be Added

Current 4-H members who enrolled by the February 1 deadline can continue to add projects to their 4-H enrollment through June 1. You can add these projects as an independent member and exhibit at the fair. This is a good option for projects where we do not have clubs, such as art, video, photography or gardening.

How do you go about adding a new project? First, you have to add the project code to your enrollment form, call Sherry at the OSU Extension Service to add a project. Then, by July 10, you have to determine what class you want to display your item in and fill out the fair entry form. Remember, just because you have chosen an additional project does not mean your club leader must cover the subject at meetings.

♣♣♣

Camp Counselors Selected

Congratulations Hayden Bush, Kala Castro, Carrie Coughlin, Rachel Porter, Shelby Porter, Adrienne Schneider, Sara Welle, Emily Whalen and Nathan Whalen of Tillamook County on being selected as 4-H camp counselors for the Catch the Jungle Spirit 4-H Summer Camp.

♣♣♣

Tell us What You REALLY Think!

We have re-designed our website! Please take a look and tell us what you think! http://extension.oregonstate.edu/tillamook/. Announcements of coming events and many of the forms, including 4-H records, that you may need are now available on the website.

Is there room for improvement? Are there things you would like to have added? Are the menus user-friendly? Please bring your ideas & comments to the OSU Extension Service at 2204 Fourth Street in Tillamook, (503) 842-3433, or e-mail to sherry.vick@oregonstate.edu. Thanks!

4-H Camp

Don't miss out on the fun at 4-H Camp June 15-20. Youth in grades 4-7 will enjoy swimming, canoeing, the rope swing, crafts, and evening campfires.

This camp is open to all youth, they do not need to have been previously enrolled in 4-H. The camp will be held at the Oregon 4-H Conference & Education Center, 5390 4-H Road NW, Salem, OR. The theme will be “Catch the Jungle Spirit”.

Registration ends May 15th, but if you are late, call 503-842-3433 to see if there is still room. There are no more scholarship funds available for 2009.

4-H Presentations Contest

The Tillamook County 4-H Presentations contest is scheduled for July 24-25. 4-H members who are planning to participate should call the OSU Extension Service to sign up for a time soon, as the schedule fills fast.

There are several new 4-H presentations classes this year including demonstrations, illustrated talks, public speeches, and impromptu speaking. Demonstrations and illustrated talks can be done as an individual, 2-person team or group. Public speeches and impromptu speaking are individual contests only. All 4-H members and Cloverbuds are eligible to participate. Members may have one exhibit in each division as long as the subject matter is different for each.

Complete rules and evaluation scorecards are available from the OSU Extension Service in Tillamook or the State 4-H website http://oregon.4h.oregonstate.edu/presentations. A list of sponsored awards (medallions, cash awards and gift certificates) is available from the OSU Extension Service in Tillamook, 503-842-3433.

4-H Project—New Resources Available Online

The 4-H Leathercraft Manual (4-H 7501, PNW 132) is now available on the 4-H website: http://extension.oregonstate.edu/catalog/4h/4-h7501/index.html The sections of the publication are fairly large, so may take dial-up users approximately 8 minutes to download each of the three sections.

The Virtual 4-H Filmmaking Studio & Workshop, www.4-H.org/curriculum/filmmaking offers a wonderful array of videos and resources that demonstrate how to make a quality video that can be used in conjunction with the new 4-H videography project materials on the state 4-H website at http://oregon.4h.oregonstate.edu/communications-projects.

The new Power of Wind curriculum from National 4-H has supplemental interactive online resources http://projects.4-hcurriculum.org/curriculum/wind/.

4-H Educational Displays (214-200) is now available online at http://oregon.4h.oregonstate.edu/educational-displays. This publication gives tips for preparing winning educational displays.
County & State Fair

Fair Focus Topic of 4-H Leaders Quarterly Meeting

4-H Leaders should plan now to attend the 4-H Quarterly Leaders Meeting on Monday, June 22. The topic will be “Fair Focus” and will highlight changes for the 2009 Tillamook County Fair and fair survival tips for leaders. The meeting will begin at 7 p.m. with a short business meeting, followed by the program. Parents are also welcome to attend.

2009 County Fair Theme Announced

The Tillamook County Fair has announced that the 2009 fair theme will be "Where Pigs Fly" Clubs may want to use this theme as they plan decorations. County Fair premium books, which include the 4-H schedule and information, will be in the local Headlight Herald newspaper in early June.

Chaperones Needed

Needed: male & female chaperones for the 4-H dorm at the Tillamook County Fair August 4-8. Chaperones for the 4-H dorm during the Tillamook County Fair must have successfully completed the 4-H leader application process, which takes at least three weeks. As of this writing we have not had any applications turned in, and no 4-H Leaders have indicated an interest in volunteering to chaperone.

If we do not have volunteer chaperones (1 male and 2 female) identified by June 15th who have completed the leader application process we will either not be able to have youth stay in the dorm or we will need to hire staff which will increase the cost to approximately $10 per night. Please help us identify chaperones immediately so that we can get them through the leader application process by June 15th.

In Tillamook County 61% of school kids receive free or reduced lunch during the school year. Who feeds them when school is out? Parents, family, and Grub Clubs throughout Tillamook County. Grub Clubs provide free lunches for children 1-18 years old during the summer months. There are volunteers serving 450 hungry children at 22 Grub Club lunch sites around the county. Sites open the week after school ends. More volunteers are needed to help at lunch sites and to pick-up and deliver lunches to sites. YOU CAN HELP! Just a few hours a month can make a difference. Contact a Grub Club Sponsor near you to become a volunteer!

Local lunch site sponsors in your area:

♦ St John’s Church of Christ - Phyllis Woods - Tillamook 842-2242
♦ Tillamook United Methodist Church - Georgia Dorsey - Tillamook 842-2224
♦ Bay City United Methodist Church - Linda Melgoza - Bay City 377-2679

Need Help with 4-H Records???

There will be two informal 4-H records workshops:

**June 30th, 2:00 - 4:00 p.m.,** OSU Extension Service Meeting Room, Tillamook

**July 8th, 6:00 - 8:00 p.m.,** OSU Extension Service Meeting Room, Tillamook

Members should have completed what they can and bring the necessary information to fill in their record books to the workshop. Joy & Nancy are available to assist 4-H members/leaders with 4-H records. Call the Extension Service at (503) 842-3433 to schedule an appointment or attend one of these informal records workshops.

High school juniors must submit their record at the 2009 Tillamook County Fair to be eligible to compete for $500 4-H college scholarships their senior year (2010).

Fair Judges Score Sheets Available

Members may pick up a copy of judge’s score sheets for horticulture, home economics, expressive arts, engineering and natural resource exhibits at the OSU Extension Service. These score sheets show what the judge will be looking for at the fair.

Each of the project areas above are interview-judged which means members may meet with the judge and visit about how they made their exhibit, what problems they may have had and explain why they did certain things in certain ways. The judge is an expert and can share ideas and tips that will help improve the exhibit.

If parents and leaders join members for their “interview” they are expected to remain in the background and listen, but not talk. Interviews with judges are encouraged, but not required.

Leadership & Scholarship Opportunities

OSU Summer Conference
The Oregon 4-H Youth Council invites 4-H'ers in grades 7-12 to participate in the OSU/4-H Summer Conference June 24-27. Participants live in dorms and eat in the cafeteria, learn the campus, take interesting classes, and make friends from around the state. The cost is $200. The first 10 4-H members from Tillamook County to sign up will receive a $100 scholarship, so their cost is only $100.

The four-day conference includes a host of interesting topics including classes in Science, Art, Technology, Entrepreneurship, Dance, Adventure, Cooking, Dog Agility and lots more. Also included is 4-H Ambassador Training and National Congress Interviews. Every year a pool party and dance have been the highlight of the event.

Registration began May 1 with all registrations due to the Tillamook OSU Extension Service by May 22. Enrollment is limited to 300 youth, and they will be processed in the order received. Therefore, it is important to get your registrations in early. After June 1, there will be a late fee charge of $25. No registrations will be accepted after June 10. Class descriptions and registration forms are posted on the State 4-H Website: http://oregon.4h.oregonstate.edu/2009-summer-conference or stop by the OSU Extension Service for more information or to register.

4-H Alumni Scholarship Available
Tillamook County 4-H alumni who plan to continue their education can apply for a $500 scholarship sponsored by the 4-H Leaders Association. Applicants must have been affiliated with the Tillamook County 4-H program as a member or leader.

This scholarship is for alumni who have been out of high school for one or more years (including alumni who are currently enrolled or returning to school) and can be applied to community college, four-year college, trade school or business college.

The scholarship requires a short application, 500-word essay describing the impact 4-H has had on their life and how it has helped them get where they are today, and a 15 minute interview (which can be completed by conference call). Applications must be submitted by Friday, June 26.

Karen Hopkins Memorial Scholarship Donations Requested
A new scholarship is being established in remembrance of Karen Hopkins, a longtime Tillamook County 4-H Leader and 4-H & FFA alumnus. Karen was dedicated to youth and quietly encouraged all youth to do their best in school and in their project work. The scholarship is being established in cooperation with the staff from South Prairie Elementary School, the Tillamook FFA Alumni Association, and the Tillamook County 4-H Leaders Association.

Donations are currently being requested. These donations should be made payable to the Tillamook County 4-H Leaders Association (a non-profit organization), where they will be placed into a dedicated fund. Donations are tax deductible. Our goal is to raise a minimum of $5,000 so that we can continue the scholarship for the next 10 years.

♣♣♣
Karen Hopkins Memorial Scholarship Application Guideline

The first Karen Hopkins Memorial Scholarship will be awarded at the 2009 Tillamook County Fair during the 4-H Awards Program. For 2009 one $500 scholarship will be awarded to a student who meets the following criteria:

♥ Student must have successfully completed at least one year of higher education (accredited 2 or 4-year college, trade school, or business school) and be planning to enroll full-time during the next school year.

♥ Student must be an alumnus of the Tillamook 4-H or FFA programs or be pursuing a career in education.

♥ Student must be an alumnus of Tillamook School District #9.

♥ The scholarship must be used for the student to attend any accredited 2 or 4-year college, trade school, or business school.

Applications will be available at the OSU Extension Service, 2204 Fourth Street, Tillamook, OR 97141, 503-842-3433. Complete applications will be due by July 1, 2009.

Home Economics & Expressive Arts

4-H Foods Contests

Foods Contests will be held July 24-25 in the OSU Extension Service Meeting Room. This year all participants will receive double premiums for doing a food contest. Contact the OSU Extension Service for more information or to schedule. Participation in one of the contests below is required to be eligible to participate in the State Fair 4-H Iron Chef Contest.

The Foods of the Pacific Northwest Contest is open to all foods members, Kindergarten – 12th grade. Participants have one hour for set-up, preparation, clean-up and serving. They prepare one recipe/food. Special cash awards are available for members who use dairy products in their recipe.

The Mini-meal Contest is also open to all 4-H members. Participants have two hours for set-up, preparation, clean-up and serving. They prepare two recipes/foods that would go together in a meal. Special cash awards are available for members who use pork or otter trawl (sole, rock fish, ocean perch, ling cod, red snapper, Oregon pink shrimp).

Foods & Food Preservation Gift Package Guidelines

Are your members planning to exhibit a foods or food preservation gift package? Then stop by the OSU Extension Service and ask for a copy of guidelines for creating blue ribbon gift packages. These guidelines were developed by Roberta Newman, state fair foods judge, and provide tips for choosing containers, foods, accessories, occasion, cost and recipes.
Summer Canning Classes Scheduled

4-H members interested in food preservation are welcome to attend the summer canning classes. These classes will highlight the most current food preservation techniques and resources that are required for fair exhibits. Cost is $7.50 per class (or $10 after the Wednesday pre-registration deadline) for supplies. Participants will take home something they have canned. Call 503-842-3433 for more information.

Episodes of food borne illness continue to be in the news. In the foods contest, you cannot bring a sample of the finished product for the judge to sample. Please keep this in mind when choosing a recipe. Remember these points:

**Keep it clean.** - Work surfaces, members’ hands, and all equipment need to be clean. Provide a bleach solution or disinfectant wipes for contestants to use on the work surfaces before and after they are preparing food. Containers used to transport ingredients or equipment should not be placed on the counters. It is quite likely they have been on some surface that was not really food clean during transport.

**Control the temperature.** - While transporting to the contest or waiting for the member’s turn, ingredients should be held at a safe temperature. For some foods this means refrigeration or putting ice in the cooler. Use a thermometer in the cooler to determine if it is actually cold enough. Safe refrigerator temperature range is from 32° to 40° F. Use a thermometer to test the final heat in the center of baked casserole dishes. The minimum temperature for safety is 165°F for casseroles without raw meat.

Food contests are a terrific way for members to practice time management and show many of their food preparation skills. Additional food safety information can be found online at the USDA’s food safety website: http://www.fsis.usda.gov/Fact_Sheets/Safe_Food_Handling_Fact_Sheets/index.asp
Agriculture & Animal Science

4-H Donor Will Sponsor Animal Science Project
An anonymous donor has committed to sponsoring a 4-H animal project for up to $500 for a deserving 4-H youth in the 4th through 12th grade who could not afford to raise an animal(s) otherwise.

The donor will pay for the purchase of the animal(s) and will help with feed costs up to $500 for dairy or livestock, and up to $100 towards a small animal project (poultry or rabbit, which might include fencing, etc.)

The award application is available at the OSU Extension Service Office, 2204 Fourth Street, Tillamook, or online at http://extension.oregonstate.edu/tillamook.

Applications were due by Friday, May 15, 2009. Contact Joy Jones, 4-H & Agriculture Agent at 503-842-5708 extension 3 to see if funds are still available & for further information.

♣♣♣

Tractor Safety Training Requirement
Youth under 18, seeking farm jobs involving the use of power-driven farm machinery must complete tractor safety certification. Youth employed by immediate family are exempt.

If a certification program is not available within 35 miles of a youth's residence, 16 and 17 year old youth may be employed if the employer provides training as required by the Oregon Bureau of Labor and Industries. Youth 14 and 15 years old are not eligible for the employer training option.

 Farmers hiring uncertified youth between the ages of 14 and 17 can face penalties and other liabilities under the Oregon Wage and Hour Rules, as administrated by the Bureau of Labor and Industries.

Contact the Joy Jones at the OSU Extension Service in Tillamook at 503-842-3433 for more information.

♣♣♣

Leasing/Borrowing Animals
The State 4-H lease policy states: “...Members may have only one leased animal in species where they do not have their own animals (exception: dog & horse). Copies of leases specifying responsibilities of lessee and lessor must be on file at the county Extension office.

Members in the Dog Project may have one leased dog. Copies of leases specifying responsibilities of lessee and lessor must be on file at the OSU Extension Service in Tillamook by June 1.” (exception: horse leases due April 15).

♣♣♣
Bringing Swine into Oregon

A certificate of veterinary Inspection (CIV) and an Import Permit are required to bring animals into Oregon. These documents are required by the State of Oregon to control specific regulatory diseases.

If you are purchasing animals from out-of state, you may contact the ODA Animal Health Identification Division at 503-986-4680 for further information. Make sure to tell the seller that you will need these. The seller’s veterinarian should provide them. These documents do not ensure that the animal is completely free of disease.

Buyers need to be aware that stress, weather, environment, cleanliness, and other factors can cause health problems.

Market Animal Weigh-In

The Junior Livestock Auction Committee (JLAC) weigh-in will be on May 30. 4-H members planning to sell market sheep, swine, goats, and beef at the Junior Livestock Auction during the Fair must weigh-in their animal on May 30 at the Tillamook Co. Fairgrounds between 7 a.m. and noon. Check the JLAC rules for specific recommended weights and ages for animals at weigh-in. JLAC rules are available online at http://extension.oregonstate.edu/tillamook/4h-fair or at the OSU Extension Service in Tillamook.

4-H members planning to sell market poultry or rabbits must notify the committee prior to the weigh-in, May 30, and register with the committee. They are required to weigh in their animals on July 14, 6:00 to 7:30 p.m. at the Tillamook County Fairgrounds.

4-H members that weigh-in an animal with the Junior Livestock Auction Committee are not automatically enrolled in 4-H. Youth must enroll in 4-H and be signed up in their 4-H project area.

If a 4-H member cannot attend the weigh-in they must submit a written request to the Junior Livestock Auction Committee one week prior to the weigh-in. The request must be signed by the member's Extension Agent or FFA Advisor. Only significant school-related events or a family emergency are considered acceptable excuses by the auction committee.

Animal Health Care Reminders

All animals need to receive some basic health care. Some of the tasks that need to be done for all animals include:

♦ Monitor and control parasites – worms, lice, mites, coccidia, flies, grubs, etc.
♦ Check hooves or toenails. Do they need to be trimmed or treated?
♦ Check for body condition. Is the animal too fat or thin? Review nutrition and feeding. Are you meeting the animal’s nutritional needs for its stage of life and production?
♦ Vaccinations and annual boosters. Talk to your veterinarian and determine what diseases to vaccinate for. Some projects require specific vaccinations of your animals so that you may participate in group events, such as the dog project. Contact the Extension Service to get a copy of the specific rules. In addition there is concern about specific diseases with certain projects, some of these include:

Horses-West Nile Virus
Swine-Erysipelas
Beef and Dairy Heifers – Brucellosis

♦ Make certain that all project animals are properly castrated, dehorned, and tails docked, if required.
♦ Ear tag your sheep and goats with Scrapie Tags.
♦ Check and follow all drug withdrawal requirements for any product you use with your animals

If you have questions about health care and management contact Joy at the OSU Extension Service 842-3433 for additional information.

The publication, “Keeping Your 4-H Market Animals Healthy,” (4-H140) contains more detailed information about livestock health concerns, ask for a copy at the OSU Extension Service or view it on line at:

Sportsmanship for 4-H
Parents & Supporters

The development of sportsmanship is an important part of youth development. To become contributing, competent, caring, capable adults, youth must develop the knowledge, skills, attitudes, and aspirations of sportsmanship.

Parents and supporters are asked to help their children develop sportsmanship by a) setting a good example, and b) demonstrating sportsmanship before, during, and after competitive programs.

1. Here are some ways you can help your child learn to be a fair and generous competitor, a good loser, and a graceful winner. Teach and encourage them to...
   - Maintain high standards of personal behavior—remind them that they represent your family, your community, and the program.
   - Accept that the nature of competition is seeking to get what others are seeking, which results in both winners and losers.
   - Learn and follow the rules.
   - Be objective, and give people the benefit of the doubt.
   - Show integrity, be honest, fair and straightforward in everything they do.
   - Be well-mannered and show respect. Treat people and animals kindly.
   - Be pleasant and friendly toward other participants, spectators, program officials, judges, the media, supporters, and others.
   - Hide ill humor, refrain from arguing, and keep emotions under control.
   - Accept judges’ suggestions and the results with a positive attitude.
   - Congratulate winners.
   - Not gripe, complain, or make excuses when they do not win or do well.
   - Recognize, appreciate, and try to learn from the accomplishments and admirable traits of others, and improve from their own shortcomings.
   - Be a gracious winner, without gloating, bragging, or acting conceited.
   - Thank advisors, program organizers, sponsors, judges, and others.
   - Politely ask questions if she/he has them, express concerns he/she may have, and make helpful suggestions to program officials and organizers.

2. Applaud for your children, your friends, and others for whom you wish to express appreciation and admiration.

3. Do not boo, heckle, make disparaging remarks, or make insulting comments.

4. Listen and be quiet when participants are introduced, when officials are making announcements, and when comments are being addressed to the audience.

5. If you have questions, concerns, or suggestions, be polite in expressing them. Criticize in private, and compliment in public.

6. Be considerate of the time officials have to spend with you, and of their other responsibilities. Schedule an appointment if you need more time to talk to them. Submit compliments, concerns, and suggestions in writing with your signature.

7. Show courtesy towards others. For example:
   - Do not block the aisles, by sitting or standing in them.
   - Do not block other people’s views when taking pictures or videos.
   - Throw away litter. Do not leave programs, drinking cups, or other trash for someone else to clean up.

8. Enjoy the program and accept our appreciation for setting a good example for today’s youth. Thank You!
