

KITCHEN NEEDS

Robo-Coupe food

Processor - Our salad bar is a big hit with our guests. This device would cut our prep-time in half and is useful for many other things as well. \$1100

Speed rack for # 10 cans

- This

time and space saving item helps rotate stock and opens up space in our storage for other items. \$550

Tomato Slicer -

Ever wonder how they slice all those tomatoes at burger joints? This is it! Slicing tomatoes in seconds with ¼ the effort \$75.00

FACILITY NEEDS

Buy a Bunk - We are in the process of remodeling our camper cabins. If you would like to help you can purchase a bunk for \$3000

Sponsor a Cabin - to sponsor the remodel of a whole camp cabin, you or your organization can give \$60,000. We will have campers in those beds the next summer!

New light fixtures - We need new light fixtures at many locations to update and make our facility safer and more energy efficient. There are opportunities to sponsor a project for anywhere from \$200 - \$2000.

Directional Signage - We are in the process of updating and improving our signage. If this project appeals to you there are opportunities to give at many levels

OUR WISH LIST

At the 4-H Center we are always striving to do “more with less”. Many tools and devices are needed to help our staff stretch our resources while still serving our kids and clients in the best way possible. Creating a place for kids to grow is always our goal. If you would like to help meet our 4-H Center goals and mission, a few things listed here will help.

Thank You for your continued support

4-H Center Staff

**Oregon State
University**

Fun for the campers too!

Nido Weaver structure

This unique Hammock Village would make a ideal place for campers to “Hangout”

\$5000

Soccer Goals

There are hours of fun to be had playing this game with the proper equipment

\$160 each

We can never have enough:

- **Balls of all kinds** – Basketballs , volleyballs , and soccer balls are always welcome!
- **Archery Equipment**- Always a big hit and for some reason we keep losing Arrows?
- **Fishing Rods and Reels** – Memories are made around a day fishing.
- **Picnic Tables** - Always needed and always used.
- **New Tables and Chairs** - You can never have too many when a group needs them.
- **Benches** – a spot to rest is also a great spot to make a friend!
- **Lif jackets & Paddles** – Ours get lots of use.

Head, Heart, Hands, and Health

MAINTENANCE NEEDS

Welder Generator

Fixing things around the property would be easier if we had a welder capable of doing the job!
\$1700

Hole Auger

Digging holes is hard work and time consuming. It would be nice to do it the easy way!
\$500

Dyson Vacuum

The average vacuum can't seem to hold up to our use. This one WORKS!
\$300

Mini Excavator

Maintaining the roads and finding water leaks would be a breeze with this machine!
\$15,000
