Contests and Activities are Three to Four Hours in Length

ANIMAL SCIENCE JUDGING CONTESTS
Juniors, Intermediates and Seniors participating. See 4-H & FFA Schedule of Events for date and time of contest.

1. To participate in a 4-H judging contest, individuals must be enrolled in 4-H.
2. Ribbons will be awarded on individual scores.
3. No coaching is allowed during the contest.
4. Only official contest materials may be used during the contest with the exception of a clipboard, a pen or pencil and blank paper for taking notes. Notes will not be allowed when giving reasons. Members using materials other than those allowed will be disqualified.
5. No talking is allowed by 4-H members after the contest has begun. If 4-H members have a question regarding the contest, the member should address that question to the contest facilitator. 4-H members will be given one warning for talking. The next offense will result in the member receiving a zero for that class. Subsequent violations will result in the member being dismissed from the contest and receiving a zero for all classes. Decisions regarding the compliance with this rule rest with the contest facilitator.

Watch County Fair newsletters for info on judging contests that might be scheduled before or during County Fair.

For State Fair:
1. To participate in a 4-H judging contest, individuals must be enrolled in 4-H.
2. Ribbons will be awarded on individual scores. In addition, judging team ribbons (blue, red and white) will be awarded to all members (up to four) of the three highest scoring judging teams in each contest. Each team may have a maximum of four (4) members, but team scores will be calculated using the top three individual scores from each team. All teams competing must have a minimum of three members. Team ribbons and team placing will not be awarded to teams with fewer than three members.
3. Counties are required to select an adult leader or parent to accompany each team as a chaperone. No coaching is allowed during the contest.
4. Fair entries. County teams must be identified and registered prior to the judging contest. Each county may field one intermediate and one senior team.
5. Only official contest materials may be used during the contest with the exception of a clipboard, a pen or pencil and blank paper for taking notes. Significant penalties for using notes during oral reasons will be assessed. Members using materials other than those allowed will be disqualified.
6. No talking is allowed by 4-H members after the contest has begun. If 4-H members have a question regarding the contest, the member should address that question to the group leader. 4-H members will be given one warning for talking. The next offense will result in the member receiving a zero for that class. Subsequent violations will result in the member being dismissed from the contest and receiving a zero for all classes. Decisions regarding compliance with this rule rest with the group leader and/or contest facilitator.
7. To facilitate greater participation, counties who are unable to enter a full team may wish to combine members so a team representing several counties may participate in the judging contests at State Fair. To enter a combined team, teams must be identified in writing from both county agents prior to the contest. To demonstrate county approval, all counties involved should be cc’d when the electronic entry form is Emailed.

Additionally, if counties are unable to fill a senior team, they may bring up 9th grade participants to fill the team. These 9th graders should not bump other senior members and should not result in the county being unable to fill an intermediate team.

Judging section continued on next page
A 4-H member may only enter a National 4-H Competitive event once. Participating members of a team entry are ineligible to enter the same event again as a part of another team (national rules). Therefore, members who have previously participated in a National Competitive event may participate in the same event at a state contest as an INDIVIDUAL only. Counties may enter teams in additional to the individual members, but may NOT use members who have participated in that event at the National contest on their team for the same event.

Teams representing Oregon, in the appropriate National Competitive event, will be responsible for raising all funds associated with expenses for the National Competition.

Fashion Revue

Judging takes place Monday, from 10 a.m. - 2 p.m.  A 4-H Fashion Show (for the County Fair audience) will be held at 1:30 p.m. Saturday.

Contestants must be enrolled in a clothing, knitting, or crocheting project and model a garment made in the project. Judging criteria are outlined on the Style Revue Score Card (320-05), available at the county Extension office or on the State 4-H website at: http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family

Contestants must pre-register for a judging time slot.

If selected for State Fair:
A member may enter 1 to 5 different contests, but only one class in any specific contest. Members must be selected by a county determined process. Contestants must pre-register for a judging time slot.

Contestants must be enrolled in a clothing, knitting, or crocheting project and model a garment made in the project. A 4-H member may not enter the same garment in an exhibit class and the Fashion Revue. Judging criteria are outlined on the Style Revue Score Card (320-05), available at the county Extension office or on the State 4-H website at: http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family.

Participants must bring a typed commentary (100-150 words) to be read when they model during the judging and during the public revue. The typed description should be on a regular 8 ½ x 11 sheet of white paper in 14 pt Times New Roman font. The typed description should not include information that would be considered too personal (i.e. size of garment or something really embarrassing) nor provide too much private information (address, town, school, etc.) as these commentaries are read in a public setting. Commentaries should focus on the learning, construction and purpose of the garment rather than the individual’s involvement in 4-H, fair, school or other activities.

Since the commentary is focused on the garment, participants will give a 1 – 2 minute introduction of self as part of the interview judging process. This informal talk is a chance for the participant to share a bit about themselves with the judge and could include information such as other 4-H projects in which they are involved, more about their sewing and clothing project adventures, hobbies they enjoy, favorite activities, or even life goals etc. This sharing session is to be at least one minute in length and no more than 2 minutes.

Participants should also bring a copy of the Fashion Revue Card (320-06) information card with fabric samples and a photo of the participant wearing the garment. Participants should bring their garments to the Fair at the time they are scheduled for Fashion Revue judging. Do not send garments to the Fair with the county exhibits.

The State Fair public fashion revue includes Intermediate and Senior clothing, knitting, crocheting, ready-to-wear and challenge entries. To qualify for a ribbon, a member must participate in both the judging and public revue on Saturday, September 1 and Sunday, September 2, 2018.

Top contestants age 14 – 18 may be chosen to represent Oregon at the National FCS Classic held in Denver, CO. Please review the information on Family and Consumer Science Contests.

State Fair Date: Friday, September 1, 2018

Table Setting is open to any senior or intermediate 4-H member. Members must be selected by a county determined process. Participants must pre-register for a judging time slot.

No food is prepared for this contest.

General Guidelines:

- Contestants will have 15 minutes to set up their display.
- The judge will interview contestants after the display is set up. A maximum of 10 minutes will be allotted for the interview.
- A table will be provided with a marked space of 18" deep x 25" wide for the place setting. The contestant must bring all other supplies.
- Select a theme. The table setting may be for a breakfast, lunch or dinner and may range from a picnic to a formal meal.
- Plan a well-balanced menu, appropriate for your skill level and the chosen theme. The menu must be typed or neatly printed on a card of appropriate size and style for the theme. Foods must be listed in the order they will be served. The menu card may be incorporated into the display. Be creative!
- Plan an attractive table setting for one person. The setting should include a tablecloth and/or placemat, dishes, tableware, glassware, and napkin. All should be appropriate for the theme and the menu being served. Paper plates, plastic ware, and paper napkins may be used for casual themes. Centerpieces are acceptable if appropriate.
- Only utensils necessary for the meal should be placed on the table.
- Napkins, if used, need to be folded during the contest.
- New things are not necessary. Use what is available at home or from friends and relatives.
- All items should be safe to eat from, with no cracks or chips. They should be clean with no water spots or fingerprints.
- Alcoholic beverage containers or glasses are not allowed, nor should alcohol be included in the menu.
- It is optional to include salt and pepper shakers on your table.
- Be prepared to answer any questions the judge might ask about the place setting, the menu and/or nutritional values.
- For State Fair: Contestants must remove all items after 6:00 pm on the day of the contest. State and County 4-H representatives are not responsible for damage of items not picked up.

2018 Celebrate our World: Mexico

To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis allows members to focus on learning about the country/region and the skills and techniques unique to that culture. The exhibit is to be inspired by the country of celebration. The Celebrate our World Explanation Card (998-03) is to be completely and thoughtfully completed and securely attached to the exhibit.
