New 4-H Year Paperwork

Leaders: if you haven’t picked up the new enrollment paperwork for your club, it is available at the Extension Office.

Professional Development Opportunity—Working with Youth Series

New this year, I will be offering a series of four (4) workshops with hands-on activities for leaders, parents, and older youth to gain better knowledge of how to work with youth and what 4-H is all about. I need at least 6 participants to hold this series. If you are interested in attending, please RSVP to (503) 325-8573. The dates are listed below:

- Nov. 15: Ages & Stages  
  rspp by 11/7
- Jan. 10: Learning Styles  
  rspp by 1/2
- Feb. 28: Essential Elements  
  rspp by 2/20

All workshops are held at the OSU Extension Office Conference Room in Astoria at 6 PM.

Leaders Corner

4-H is about positive youth development. As leaders, we help youth find a “spark” or project that gets them excited and wanting more. There are eight essential elements of 4-H known as the “Big M” but in the next few newsletters I wish to focus on the four broad fundamental elements of belonging, independence, generosity and mastery. These are four key concepts that most directly align with the historical roots of 4-H.

Researcher’s analysis of youth programs now indicate that creating positive programs isn’t automatic, it is intentional. We know that quality programs vary a lot. In fact, poorly designed programs and activities can even have a negative influence on youth.

As adults, we are always growing and developing too. Take some time to think about your practice as a 4-H leader and be open to deepening and enriching your understanding of belonging, independence, generosity and mastery.

The next newsletter will address this further.

**DONATING TO 4-H**

Periodically 4-H receives cash donations in memory of someone who was passionate about the 4-H program. These kind donations are greatly appreciated and help support the overall 4-H program. Our local 4-H program is fortunate to have a 4-H endowment set up through the Oregon 4-H Foundation that allows our county 4-H program to benefit from not only cash donations but also donations of real estate, such as land and homes. Contact Sandra if you have any questions or would like further information. We appreciate the strong support our community has for the 4-H program and the betterment of the youth in Clatsop County.

**FAIRGROUNDS USAGE FORM**

Those clubs wishing to use the fairgrounds facilities for club meetings need to fill out a [Request for Facility Use Form](http://oregon.4h.oregonstate.edu/programs/recognition/member) from the Fairgrounds. This must be approved by the Extension Office prior to going to the Fairgrounds. (We can do one form if multiple dates are known). Info on who is on the premises is needed in case of an emergency. There is also a 4-H Club Expectations for Use for Clatsop Co. Fairgrounds Form that needs to be filled out once a year. These forms are available at the Extension Office.

**CLUB FUNDRAISING REQUESTS**

Just a reminder that if you plan on doing a club fundraiser you need to fill out a [Fund-Raising Request Form](https://extension.oregonstate.edu/sites/default/files/documents/10701/requesttoconduct4-hclubandcommittee fundraisingjune2016.pdf) prior to your event. The form would need to be filled out and turned into the Extension Office prior to the **third Thursday of each month** in order for your fundraiser to be approved. This form has changed, the new form can be found at [https://extension.oregonstate.edu/sites/default/files/documents/10701/requesttoconduct4-hclubandcommittee fundraisingjune2016.pdf](https://extension.oregonstate.edu/sites/default/files/documents/10701/requesttoconduct4-hclubandcommittee fundraisingjune2016.pdf)

**SCHOLARSHIPS FOR MILITARY FAMILIES**

Many in our area are part of the military. Here is a link that might help youth attend various functions by sponsoring scholarships for the 4-H programs, [http://oregonmilitaryfamily.org/cyp.html](http://oregonmilitaryfamily.org/cyp.html)

**NEW: CHANGE IN THE FAIR REGISTRATION PROCESS**

This year we will be implementing an online fair entry process. Members/families will input their personal profile (name, address, phone, club, etc) into a “Showworks” online entries system by April 30.

Livestock market animal members (Sheep, Swine, Goat) will need to pre-register their animal’s fair classes into this system by April 30. This will allow your animal to cross the weigh-in scale at the Spring Weigh-In.

All other project areas will need to pre-register their projects into Showorks from April 1 to July 1 to show at Fair.

More info on this new process to follow. We will all learn together as we use this new system for online entries. The goal is to streamline the system we currently are using.

THINGS TO HELP A NEW (OR EXPERIENCED) LEADER

We asked the advice of some new leaders on how to make 4-H a little easier to figure out. From that, we have made a document called “Important Info for New 4-H Leaders”. This can be found at: https://extension.oregonstate.edu/sites/default/files/documents/10701/thingstohelpanewleader.pdf

It covers things like:
- Why read the newsletter?
- What is the 4-H Association?
- Fair requirements
- Record Books
- Recognition nights
- Who should come to Leader advisory meetings—what are they?
- Who to call if you have questions?
- Project books

If you just started an animal club this year and need some info about:
- What to bring to Fair
- When to buy your animal
- What about shots
...then you should visit this website https://extension.oregonstate.edu/sites/default/files/documents/10701/thingstobringtofairlist1.pdf for a publication called “Clatsop County 4-H Fair Animal Help Guide”.

Please let us know if you think of anything that should be added to this packet! sandra.carlson@oregonstate.edu
FOR THOSE OF YOU WHO ARE PLANNING ON PURCHASING A STEER THIS FALL...YOU MUST HAVE:

1. An OTC...Oregon Transportation Certificate: All cattle are required to have this form in the vehicle while being transported. Check the box at the bottom of the form if the animal is of USA origin.

2. An E-Slip...triplicate carbonless form, to be filled out by the producer of the animal you are purchasing and each E-Slip must be allocated to an individual person. The white copy must be sent within eight (8) days to the ODA (Oregon Department of Agriculture) to the address on the bottom of that form.

You do not need an E-slip...ONLY if you have produced the home-grown animal.

3. A health record

These forms are available, at no charge to you, at the Extension Office for you to pick up prior to going and getting your steer. The OTC and the E-Slip are for cattle only.

HAMPTON LIVESTOCK SPONSORSHIP PROGRAM

It is the 4-H member’s responsibility to locate a secured area for raising their animal, perform daily care duties and clean stalls.

Applicants must have a signed/dated document from their parent/legal guardian. A committee will review all applications, interview finalists and present sponsorship(s) on or before Fri., March 1, 2019. Youth(s) awarded this sponsorship will email monthly updates and pictures showing the progression of the animal growth, financial records, etc.

Hampton, Warrenton Lumber Mill will provide winning applicant(s) funds for one market animal, some equipment and 4-H membership fee for one year. Food for such animal will be provided by one or our local feed stores.

**Placemats:** We will again be making placemats for the local care centers, 11 x 17 paper and patterns are available at the Extension Office. Be creative and festive! Please let Sandra know if your club is interested in distributing them to the local care centers.

**November: Make Christmas ornaments for the Wishing Tree Program**  This program puts Christmas trees that are filled with the names and holiday wishes of underprivileged children in banks and local businesses.

Help us symbolize the giving spirit of the Holiday Season by creating ornaments to decorate these trees. Excess ornaments go to local nursing homes. Be creative, have fun...we do ask that you NOT USE THE BELL SHAPE, since this is the shape on which each child’s name/wish is written. **Please attach a string for hanging.** Ornament patterns are available at the Extension Office if you need ideas.

Please have the ornaments to the office by 4:30pm on Wed., November 14. Let Jared know if your club is interested in helping decorate the trees.

**STEM Civic Engagement Opportunities (Community Service)**

There are some very interesting projects in our area that would tie in nicely with science and in making a difference in where we live. A few ideas are:

1) **eBird**—Northwest eBird is an effort to engage citizen scientists as a constituency for bird conservation—helping collect data.

2) **Oregon Bee Atlas**—help survey the state to better understand Oregon’s bee population

3) **Beach Watchers (ODFW)** - observe and record seabirds

These are just a few community service/civic engagement ideas for your club or individual members to get involved in . . . .or it would be a great new club if someone wanted to lead it.
