Youth of the Month - Hailie Conner

Hailie was nominated for being “a good friend, hard worker and she helps younger kids succeed!” Great job Hailie!

Hailie has been doing 4-H for four years now. She has tried many different projects from cooking, art, sewing, goats and poultry. Her favorite is poultry which she has stuck with all four years. She loves showing off her Dutch bantams. She also has a pigeon named Clarence and she enjoys sharing with others about her love for birds as well as her experiences in 4-H.

4-H has taught her a lot about responsibility and educating her in poultry management. She is very grateful for the 4-H program as well as the friends and fun she has had.

Stop by the OSU Crook County Extension Office to nominate a Youth or Leader of the Month!
