Record books will be judged by records judge. **Due July 8, 2019**

The Questions/Written Report is enclosed and is to be completed by the Junior member. **Due July 8th.**

The Interview with the Judge is designed to draw the Junior out, not to intimidate. Two open-ended questions will be asked. Interview times and places will be scheduled through the leaders. The judge will narrow down the list of applicants after reviewing the records, written reports, and participation report, in order to interview not more than 10 applications.

Leaders will submit “Participation in Events’ report on each Junior they wish to nominate. Include county, club, and community horse related events. **Due July 8th.**
