For those of you without internet access or for some reason cannot do this at home, we will have computers/iPads available in the Extension Office to use. There will be someone to assist you.
If you are doing your entries from home, do not hesitate to call or email me if you are having problems. 503-434-8917 or vickie.smith@oregonstate.edu
Once again, last year was a great success and we are happy to offer you the opportunity again this year.

**To do online entry, follow the instructions below:**

1. Log on the following website. [http://yamhill.fairwire.com](http://yamhill.fairwire.com)
2. Enter as a new exhibitor for this year the first time you go in (you are new every year)
3. Enter grade just completed this spring.
4. Fill out your log in information. Be sure to capitalize your first and last name correctly. **DO NOT USE ALL CAPS PLEASE.** Your password is case sensitive and needs to be something you will remember. Also be sure to write down your password as we cannot retrieve it for you.
5. Make sure you have logged onto our website to view the fair book at; [https://extension.oregonstate.edu/4h/yamhill/fair](https://extension.oregonstate.edu/4h/yamhill/fair)
6. Follow the online program to enter your fair classes.
7. Please remember to only enter classes in projects you are enrolled in and passed through records check with.
8. **Pay close attention to the information in green at the top of the classes.** They tell you specific class information you need to know.
9. There is a description area below each class number when you sign up. If you like you can put a brief description of that class or maybe the breed of the animal going into that particular class so when you print it out you can see an explanation of the class as well as the class number.
10. When you are done an electronic copy will be sent to your email address. Be sure to forward this email or print it off for you to take to your leader.

**THIS YEAR. You will use this conformation copy to purchase your wristbands for fair. It is your proof you are enrolled in the Yamhill County 4-H program. You must have a hard copy or show them on your phone. You will not be allowed to purchase the passes without doing this.**
