PROJECT ENROLLMENT FOR COUNTY AWARDS

Please check the 1 or 2 project areas below in which you have done your most outstanding work in this year and would like recognition. This helps judges know which project area to award your recognition in should you be strong in more than one.

12 to 18 year olds who score an 85 or above on their records will vie for a County Award Medal (quotas are limited by donors) in an area they have done their most outstanding work in this year. (Note – 12 – 18 year olds can only receive a specific project County Award Medal once.) 9 – 11 year olds who receive a 90 or above on their records will receive Outstanding Record Book Recognition.
