

TRENT MESSERLE STARTER BEEF AWARD

This award, sponsored by the Trent Messerle Beef Starter Heifer Endowment, provides 4-H and FFA members the opportunity to purchase an approved beef female in the breed of their choice. Animals obtained through the starter program must be shown at the Coos County Fair the following year.

Trent Messerle's involvement with cattle started at a young age. Born and raised on a working cattle ranch, Trent started raising orphaned bottle babies as soon as he was big enough to hold the bottle. When he became old enough to start 4-H, Trent began taking animals to the Coos County Fair. As the years passed, Trent became involved with the Coos County Youth Auction and started building his own herd of mama cows. By the time Trent graduated high school, he had a nice little herd of cows to help him start his adult life.

Throughout the years, Trent's involvement with 4-H and the Coos County Fair was a big part of his life. He made many lifelong friends, and learned a lot about cattle, ranching, people, and life. Trent was always one of the first to help out someone else when needed, and had the respect of many throughout the barnyard. After his 4-H career was over, Trent continued to be a part of the fair. He would return often to help other 4-Hers, usually younger kids, with their beef projects. Trent also returned every year to be ring man for the Youth Auction, and even helped support the auction financially. Although Trent was taken from us at a young age, his wish was to help out the next generation of kids at the Coos County Fair.

The purpose of this endowment is to award a youth that shows the spirit of Trent and looks at cattle as a way of life and not just a paycheck.
