

## Don't Miss Out!

Most of the Spring Break Camp sessions are designed for Intermediate and Senior Members.

Cloverbuds and Juniors have alternative projects that are geared toward younger members.

**CAMP IS \$10/DAY. MEMBERS SIGN UP FOR ANY OR ALL OF THE CAMP DAYS. ALL MATERIALS AND SUPPLIES WILL BE PROVIDED.**

To ensure each member receives the instruction and assistance to go home each day with a finished, quality project, enrollment is limited. All 4-H members are welcome to sign up, however, priority will be given to those members enrolled in the project area that each day is focused on.

Each day 4-Hers will learn skills to create a finished project to take home. From aprons and pickles to woodland creatures and wooden stools.

**BRING A LUNCH AND SPEND SPRING BREAK 2019 WITH US.**

## Clackamas County 4-H

*Come And Grow With Us!*

**SPRING BREAK  
4-H DAY CAMP  
2019**

*ARE YOU HAVING A STAYCATION THIS SPRING BREAK?  
WONDERING WHAT TO DO WITH YOUR 4-H CLUB TO  
LEARN NEW SKILLS AND GET A JUMP ON FAIR PROJECTS?*

**MARCH 25—29  
10:00AM TO 3:30PM**

DAY 1: MONDAY —SEWING & QUILTING  
DAY 2: TUESDAY—HORTICULTURE  
& FOOD PRESERVATION  
DAY 3: WEDNESDAY—BAKING & COOKING  
DAY 4: THURSDAY—FIBER ARTS  
DAY 5: FRIDAY—WOODWORKING & ART

**\$10/DAY**

## MONDAY—SEWING & QUILTING

PROJECT AREAS: SEWING AND/OR FIBER ARTS

Sew an apron—and learn Blue Ribbon Techniques for attaching binding and making patch pockets.

Quilting - Learn basic techniques and use a rotary cutter and templates. Complete a block that will become a patchwork potholder, placemat, pillow or wall hanging.

Look Book and 4-H Sewing Skills Notebook - Information and help getting started.

## TUESDAY—HORTICULTURE & FOOD

PROJECT AREAS: HORTICULTURE, FOODS, FOOD PRESERVATION (Juniors can participate)

All about Herbs - Touch, smell, identify, plant and take home herbs for your kitchen garden.

Succulents - Find out all about these fun plants and assemble a small succulent garden.

Lets make pickles! Each member will learn canning and pickling techniques and take home a sealed jar to share with their family or enter in county fair.

**Registration Deadline is March 15th**

## WEDNESDAY—BAKING & COOKING

PROJECT AREAS: FOODS & NUTRITION

(Juniors can participate)

Bread Making 101—come learn to successfully make homemade bread. Participants will complete and bring home a freshly baked loaf.

Intro. To Contests—fun and interactive cooking skills will be on the menu. Members will practice making smoothies and other fun cooking demonstrations.

Glorious Garnishes—Learn how to make your meals more appealing and fun. Hands on class for members to make a variety of garnishes. Emphasis will be on knife safety.

### CLOVERBUDS:

Kids Can Cook! We will be making fun, tasty and healthy snacks. NOTICE: Peanuts may be used.

Measuring Practice -We will practice measuring dry and wet ingredients using a variety of tools. If we do it right, we will make something fun!

Table setting - Do you know where the utensils should be set? Can you identify the different types of spoons and forks? We will practice setting a table for different occasions and meals.

## THURSDAY—FIBER ARTS

PROJECT AREAS: FIBER ARTS

Needle Felting-Learn how to create one of these adorable woodland creatures by needle felting. Make\* a fox, raccoon, or beaver. \*Extra kits to take home will be available for purchase.

Embroidery - Learn basic embroidery and make a pretty personalized project.

### JUNIORS & CLOVERBUDS:

Cross-Stitch - Hand stitch a cute critter, learn cross stitch skills.

Paper Making—learn how to recycle paper and make plant able paper with spring flower seeds to give as gifts.

## FRIDAY—WOODWORKING & ART

PROJECT AREAS: WOODWORKING AND ART

Woodworking - Create a simple, sturdy, and charming wooden stool using power tools and pocket jigs. We will guide you through the process.

Art—Drawing and Painting focus. Expert teachers will guide members through the steps and techniques to help create a finished art piece.

### Juniors & Cloverbuds:

Make a stool using pre-cut wood kits and hand tools. We will provide assistance with all parts of the assembly
