Oregon State Fair Livestock Judging Contest

Congratulations to our Deschutes County Senior Livestock Judging Team for taking Champion at the Oregon State Fair!! Our members are Abby Walker, Jed Montagner, Jessica Simpson, Zane McCoy and our Alternate, Chance Greene.

Our team is planning to represent Deschutes County in Louisville, Kentucky at the North American International Livestock Exposition November 13-14, 2018!

The North American International Livestock Exposition (NAILE) is the largest all-breed, purebred livestock event in the world, with 10 livestock divisions and nearly 30,000 entries from the 48 contiguous states — all under one roof. Countless exhibitors and visitors attend each year.

The goal of livestock judging is to compare your idea of an animal against the “Perfect” and then to compare your opinion with others.

At its simplest, livestock judging consists of two parts:
1. Placing a group of animals
   - The placing of a class lets you place the animals in order of your idea of how they compare to the perfect.
2. Orally justifying your decision
   - Oral reasons, often causes more anxiety. But, if you are prepared, reasons are an exciting chance to share your thoughts and priorities with an expert, allowing him to judge your reasons.

Livestock judging has the additional benefits of teaching you about decision making, public speaking and self-confidence.

Building skills will help you in every other area of your life, now and in the future. Plus, you will have the opportunity to meet industry leaders as well as others, like yourself, that are tomorrows industry leaders.

Monday, Sept. 5, marks the start of National Suicide Awareness Week. To build awareness and work toward preventing suicide, and suicide attempts, the Deschutes County Suicide Prevention Alliance and community partners are coordinating several activities throughout September.

Suicide is one of the leading causes of preventable death in Oregon. In Deschutes County, approximately 29 people die by suicide each year. It is the tenth leading cause of death in the United States with one suicide occurring on average, every 13.3 minutes. Early recognition of warning signs and early intervention can save lives. The activities planned for this week will assist our community to address this important issue.

Attend one or more of these opportunities listed below to support suicide survivors in our community, and to learn more about how to help yourself or someone you love.

**Question. Persuade. Refer. (QPR) Suicide Prevention Training and Suicide Prevention Experts Panel:** Wednesday, Sept. 7. 6 p.m. First Presbyterian Church. Heritage Hall. 230 NE 9th Street. QPR training covers how to question, persuade and refer someone who may be at risk for suicide. Participants will also learn the warning signs of suicide and how to get help for someone in crisis. Local experts will provide a presentation and opportunity for questions and answers. The presentation will incorporate concepts from QPR. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the early warnings signs of a suicide crisis and how to questions, persuade and refer someone to help.

**Candlelight Vigil:** Thursday, Sept. 8. 7:30 – 8:30 p.m. 520 NW Wall Street, Bend. Meet in grassy area. Recognize World Suicide Prevention Day by joining in a candlelight vigil. Candles will be provided. The event is free. The vigil provides an opportunity for people who have lost loved ones to suicide to commemorate their loss. Community partners will be available to provide support services and resources, and bring awareness to ways to prevent future losses.

**Out of the Darkness Community Walk:** Saturday, Sept. 10. In participating in the Out of the Darkness Walk, you join the effort with hundreds of thousands of people to raise awareness and funds that allow American Foundation for Suicide Prevention (AFSP) to invest in new research, create educational programs, advocate for public policy, and support survivors of suicide loss.

**NAMI Road to Recovery 5k:** Saturday, Sept. 24. The Road to Recovery is the fifth annual 5K fun run/walk to benefit Central Oregon’s branch of the National Alliance on Mental Illness (NAMI). NAMI of Central Oregon sponsors this annual 5K run/walk to benefit mental health care needs in the Central Oregon Community. For more information, or to register, visit recovery5k.wordpress.com.

For more information, please contact David Visiko, Deschutes County Health Services, at 541-388-6606.
More than 6 million young people across the country today will celebrate National 4-H Week, an annual celebration of 4-H during the first full week of October. During National 4-H Week, 4-H will showcase the great things that 4-H offers young people and highlights the incredible 4-H youth in the community who work each day to make a positive impact on the community.

We have flyers, banners and signs in our office to show your support! Contact our office at 541.548.6088 to find out how you can tell our community about our local 4-H Program!

**Interested in Leathercraft?**

Want to see if Leathercraft is for you? Already working with leather and want to improve your skills? Cascade Leather Artisans is accepting new members for the 2018-2019 4-H year. We meet every other Sunday in Redmond from 2-5 PM. For more information call or email Tom or Sheryl Katzke at 541-504-0324, tom@kclgallery.com

**Cupcake Wars is coming!**

Its official, we will have a cupcake war this year. This contest is open 4-H age members and you DO NOT have to belong to a cooking club to participate. This is a team of two contest. There are two themes that will be announced at the first workshop and as a team, you will have one hour for each theme to bake and decorate your cupcakes. Sound easy right?

Join me at the first of three workshops and learn the ins and outs of the contest. Our first workshop will be held on, Saturday, October 6th. This will be a hands on workshop. We will make cupcakes as well as learn some basic cake decorating skills. You do not have to have a team put together to attend this workshop. You MUST pre-register by the deadline on the registration! See page 14 for registration!!

Let the War begin, Cupcake War that is!

**2018 National 4-H Congress**

For more than 96 years, National 4-H Congress has been a premiere nationwide opportunity for 4-H members across America. Originally held in Chicago, the event is now held in the “Capitol of the South,” Atlanta, Georgia during the Thanksgiving break. Participants not only have the opportunity to participate in state-of-the-art educational workshops and hear from world-renowned speakers, they also have the opportunity to network with other 4-H members from across the United States.

Delegates to National 4-H Congress are selected through their respective state 4-H Programs. Each state determines the number of youth that can attend and selection process. Some states utilize National 4-H Congress as a honors/reward experience, whereas some select their delegation through an application process.

**We are pleased to announce the Oregon 2018 National Congress Delegation:**

Upcoming events for Deschutes County 4-H
2018-19 Shooting Sports Season

The 2018-19 Oregon 4-H Shooting Sports Mail-In Tournament Season will kick off with Archery in November. All the other disciplines will start in January. By using the shooting sports disciplines to teach valuable life skills, youth are set up for success. While competition is a part of that process, it is not the whole process. The foundation of 4-H Shooting Sports is positive youth development. Education comes first, followed by recreation, and then competition. In the Mail-In Tournament, as in all 4-H activities, it is about the youth first and then the project. 4-H shooting sports promote and enhance life competencies that make our community’s youngest citizens open to challenge and discovery, feel they have a sense of purpose, affirm the importance of something greater than themselves, accept personal responsibility, feel positive and optimistic, and be able to set and achieve realistic goals.

Youth in 4-H Shooting Sports are on a trajectory to do better in school, make healthy choices, be socially competent, develop personal standards, connect and contribute to others, and take fewer risks on their way to making a successful transition to adulthood.

Statewide Shooting Sports Leader Training

The next statewide shooting sports training is scheduled for October 27-28. We expect the training will take place at the Canby Rod and Gun Club. We are waiting for the club to confirm the dates. Once we know, we will set up the on-line registration.

About 4-H

4-H is the nation’s largest youth development organization, grows confident young people who are empowered for life today and prepared for career tomorrow. 4-H programs empower nearly six million young people across the U.S. through experiences that develop critical life skills. 4-H is the youth development program of our nation’s Cooperative Extension System and USDA, and serves every county and parish in the U.S. through a network of 110 public universities and more than 3000 local Extension offices. Globally, 4-H collaborates with independent programs to empower one million youth in 50 countries. The research-backed 4-H experience grows young people who are four times more likely to contribute to their communities; two times more likely to make healthier choices; two times more likely to be civically active; and two times more likely to participate in STEM programs.

Learn more about 4-H at www.4-H.org, find us on Facebook at www.facebook.com/4-H and on Twitter at https://twitter.com/4H.

The 4-H Motto:
To Make the Best Better

The 4-H Slogan:
Learn by Doing

The 4-H Pledge:
My Head to clearer thinking, My Heart to greater loyalty, My Hands to larger service, My Health to better living, for my club, my community, my country, and my world.

The 4-H Creed
I believe in 4-H for the opportunity it will give me to become a useful citizen. I believe in the training of my head for the power it will give me to think, plan, and reason. I believe in the training of my heart for the nobleness it will give me to become kind, sympathetic, and true. I believe in the training of my hands for the ability it will give me to become helpful, useful, and skillful. I believe in the training of my health for the strength it will give me to enjoy life, to resist disease, and to work efficiently. I believe in my country, my state, my community, and in my responsibility for their development. In all these things I believe, and I am willing to dedicate my efforts to their fulfillment.
