**PERFORMING ARTS**
Performing Arts exhibits are judged during the county Presentation Contest in February. The complete set of rules for performing arts can be found in the Live Contests section.

**ART**
Art Superintendent: Erin Conte

Art has two divisions based on whether the entry is entirely original or includes components that have been designed or created by others. In both divisions, the member will be expected to create their work by applying the elements and principles of design.

**GENERAL RULES**
1. 4-H General Rules apply.
2. Members may enter all classes, two exhibits per class.
3. For State Fair: Members may enter up to four classes in the Original Art division and up to four classes in the Non-original Art division. Members may enter no more than one entry per class number in non-original art, and no more than two entries per class number in original art. Senior and Intermediate members may also enter one exhibit in the Celebrate our World class.
4. To understand the difference between original and non-original art, please see the Original or Non-original Art Guide.
5. Due to weight, artwork may not be framed with the exception of work done with chalks, charcoals, or pastels. If work is done with chalks, charcoals or pastels is framed, light weight frames with plastic rather than glass should be used for protection during display. No glass is allowed.
6. **Artwork is to be mounted for display, including jewelry.** All jewelry exhibits must be mounted in some way to a board or fabric covered board for display. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. If an item is meant to hang, a hanger that will support the weight of the item must be securely attached. Adhesive plastic hangers are encouraged to protect other artwork. Two adhesive hangers per hanging piece is suggested. They are available through county Extension offices.
7. All work done on an item that is wearable clothing or accessory must be exhibited in a Wearable Art category.
8. Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points.)
9. Exhibits are entered and displayed at the risk of the exhibitor; see General 4-H Information.
10. In addition to the securely attached exhibit tag, each piece of an exhibit must be labeled on the back or bottom with the member’s name, county, and exhibit class number. Exhibits that have more than one piece need to be tied together or connected together in some way so the pieces can be considered as one exhibit.
11. To qualify for judging, a fully completed 4-H Expressive Arts Exhibit Explanation card (231-02) is necessary. Exhibits for the Celebrate our World class must also include the Celebrate our World Explanation Card (998-03). Information on these forms should be as thoughtful and comprehensive as possible when sharing the required information.
12. Exhibits will be evaluated using the judging criteria outlined on the Art Project Evaluation sheet (231-02). Forms are available at the county Extension offices and at the State 4-H website.

Celebrate our World
To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis allows members

2020 Jackson County 4-H Fair Exhibitor Rules
to focus on learning about the country/region and the skills and techniques unique to that culture. The exhibit is to be inspired by the country of celebration. The Celebrate our World Explanation Card (998-03) is to be completely and thoughtfully completed and securely attached to the exhibit.
