Please see other page for specific guidance.
During this state of emergency for COVID-19 we have adjusted the way we will be declaring horse by April 15, 2020. The following are our plans to accomplish our 90 days before fair deadline:

- Please fill out this form completely except your signature. No changes to the horses will be accepted after April 15, 2020. (will follow the regular rules for using a different horse than declared)

- Don’t worry about getting the leaders signature

- Email to Andrea.Cordova102106@gmail.com and mcnamee01@hotmail.com

- Or mail to 1231 La Loma Dr., Medford OR 97504

- If the form is not emailed or postmarked with the date of April 15, 2020 or earlier, we cannot accept the form.

- Once the emergency measures have been lifted, we will hold a meeting for leaders and members to come in to sign and provide the picture, registration Papers and/or a bill of sale. If you are a returning member, we will also have your last year declarations with the required items, so you can transfer them to this year’s declaration.

- If you have any questions, please contact Andrea Cordova at 541-324-2821 or Becky McNamee at 541-531-5203
