4-H/FFA Fat Stock Sale
1. Open to all regularly enrolled 4-H members in Morrow County.
2. A 4-H exhibit must be the work of the 4-H member and completed as part of the current year’s project. Work done after county fair but prior to October 1 and not previously exhibited may be included in the next project year. Fitting, training, care and showing of animals will be done by the exhibitor. Failure to do so will result in a first time warning to exhibitor and a second warning by the superintendent will disqualify the exhibitor from showing his/her animal, receiving premiums or selling livestock.
3. Members must be enrolled in the project in which they are exhibiting and must exhibit in the highest phase they completed during the club year.
4. Each exhibitor must register all exhibits, contests and presentations he/she is entering. Exhibitors must return the 4-H registration form to the Morrow County Extension Office by 4:30 pm Monday July 8, 2019. Late entries will not be accepted!
5. Exhibitors are responsible for using appropriate class numbers on the fair registration form. Those exhibit contests and presentations not listed will not receive premiums.
6. Food and clothing exhibits are based on phase or skill level at which the member is currently achieving. Age divisions are based on the grade just completed. See below:

**RECORD BOOKS**
An up-to-date and complete record book will be due Monday, September 16, 2019 in the 4-H office for all 4-H members. This includes a permanent record, project records, and any other supplements for the current 4-H project year. If the record book is not completed and submitted by September 16, 2019 the 4-H member forfeits any eligibility to exhibit at the Morrow County Fair the following year. Electronic submissions will not be accepted.

8. The Danish System will be used in all exhibits, including style revue, presentations and contests other than judging contests. Champion and Reserve Champion ribbons are awarded in each class as deemed worthy by the judge. Cloverbuds will receive participation ribbons only and will not be judged.
9. premiums: 4-H premiums will be awarded according to the following point system. Champion and Reserve Champions will receive no additional points. Points will be awarded at each age level, except Cloverbuds. In case there is no competition or entries are deemed unworthy of the prize offered, the points will be awarded at the discretion of the judge. No champion ribbons will be awarded to class winners unless they are blue ribbon or first premium quality. Premium points will be determined by ribbon placing as follows:

**Contests, presentations, livestock breeding projects, small animal projects and horse:**

**Exhibits and market animals:**

The numbers represent points, not dollars. The value of a point will be determined after the show, based on total points awarded and monies allocated for premiums.

11. State Fair Entries: The judge will designate exhibits of state fair quality at the time the exhibits are judged if the exhibit meets State qualifications.
12. When participating in 4-H activities, you are representing yourself, club and the county 4-H program. Clothing is to be neat, clean and appropriate for the activity. At no time are low-cut tops, t-shirts with offensive language or inappropriate material, short skirts or short tops appropriate.
13. Superintendents have the authority to create new county-only classes or approve modification of contest rules if approved by Extension Agent.
14. See Department 3 for livestock rules.
15. Static Exhibits & Interview Judging: Interview judging is an opportunity for the judge to talk to the exhibitor on a one-to-one basis to learn more about their project & exhibit. We encourage members to complete this interview process on their own. The best education takes place when the members feel free to talk about their project openly between the member & the judge and without input from others.
16. Members can only sign up for each class only once, with the exception for market animal classes. For example, you cannot enter the same photography class twice – you cannot compete against yourself in the same exact class.
17. Livestock members are expected to attend all morning livestock exhibitor meetings held during the fair to receive updates and pertinent information. The exhibitor meeting will take place in the swine arena, at 8:00AM on Thursday, Friday & Saturday mornings.

**ALL AROUND ACHIEVEMENT AWARD**

Exhibitors should own the animals they exhibit. Exceptions; any non-market animals (horses, dogs) may be leased. Lease agreement MUST be on file at the 4-H office by June 1 and follow procession rules.

2. Animal waste must be handled according to the direction of your club leader, species superintendent and/or the fair management. Alleyways should be free of debris, excess water, hoses, feed pans, rakes, shovels, etc and clean. Members are encouraged to keep areas around their animals and their barns clean and all manure in the livestock area picked up. ALL animals must be clipped before they come to fair. Hogs need to be clipped no less than 1/2” and sheep sheared to no more than 3/8”. Animals and stalls must be presentable at all times. Stalls and pens must be cleaned at least once a day. Premium money may be withheld if animals are dirty and stalls are unclean.

3. Clipping, cleaning, feeding and all animal care is to be performed by the 4-H exhibitor only, with assistance from older 4-H exhibitors if needed. Failure to comply with these guidelines, could result in disqualification of exhibitors and their animals from participation in fair contests. Leaders and advisors are responsible to notify 4-H species superintendents and 4-H Agent regarding non-compliance. Exhibitor and their parent/leader will receive one warning from the species superintendent and agent. It is at the discretion of the 4-H Agent to remove exhibitors and animals from fair contests for non-compliance.

4. All livestock exhibitors are required to exhibit in a showmanship class for their species.

5. Backup Animals: A market animal may be declared a family back-up, but must still account for one of the member’s four market animals weighed-in at spring weigh-in. Family back-up animals are specifically limited to household members where legal guardianship has been established. To declare a family back-up animal, a family back-up animal form must be filled out and turned in to the 4-H office at spring weigh-in.

6. Replacement Animal Policy: If a tagged market animal of a 4H or FFA member should die or become sick/injured and the student does not have a back-up animal, the following steps are required for replacement and submitted to the extension office and Morrow County Livestock Grower’s Association;

   1. A vet statement on the dead, sick, or injured animal prepared by a veterinarian.
   3. A summary of events that lead to the death of the animal.

   Upon approval of replacement by extension office and Livestock Growers Association;

   4. The replacement animal must have been weighed in at the Morrow County spring weigh in and be tagged/tattooed.
   5. Extension agent must re-tag the animal- opposite ear so animal will have 2 tags.
   6. Replacement animal does not quality for rate of gain contest
   7. Replacement animal will sell last in sale order for their ribbon placement (if received a blue ribbon, the animal would sell last blue, etc.)
   8. No replacement requests will be granted within 14 days of the Morrow County Fair.
7. Weigh In’s:

a. **Spring Weigh In**: If you can’t make spring weigh-in, the 4-H Agent must be notified ahead of time. The market animal(s) can be weighed one week prior to or one week after the scheduled spring weigh-in. **All market livestock must be tagged and tattooed at spring weigh-in; if a tag is lost, exhibitor has 24 hours to notify the 4-H office, otherwise that animal will be ineligible to sell at fair.** Tag must be provided if possible. Any market animal that is not weighed in at the designated spring weigh-in times will not be eligible for the rate of gain contest or carcass contest. All market animals must be weighed at spring weigh in unless other weigh in arrangements have been made with the 4-H agent. Steers must have E-Slips.

b. **Crossing Scales at Fair**: All exhibitors must provide a health form for each animal they plan to weigh-in. All exhibitors must present a signed Livestock Exhibitor Agreement Form and C.O.O.L. Affidavit TO THE EXTENSION AGENT PRIOR TO UNLOADING ANIMALS. Documents may be found on the Morrow County 4-H website: http://extension.oregonstate.edu/morrow/welcome-morrow-county-4-h.

c. **Fair Weigh In and Shrinkage**: All sale animals will be weighed Wednesday at fair. No animals are to be delivered or brought to the grounds Tuesday evening. A 2% shrink will be taken.

ii. **Market Lambs**: Lambs must weigh 112 to 164 pounds when crossing the scale at fair weigh in, a 2% shrink will be applied to the weight recorded and used for auction weight. Market Lambs are required to gain at least 0.3 lbs/day between spring weigh in and fair weigh in. 3/8" fleece length or longer will be required or the exhibitor may forfeit the opportunity to sell at fair. All sheep will have a federal scrapies identification tag prior to arrival at fair. Sheep will be under one year of age.

iii. **Market Goats**: Goats must weigh 76 to 122 pounds when crossing the scale at fair weigh in, a 2% shrink will be applied to the weight recorded and used for auction weight. Market goats must weigh a minimum of 35 pounds at spring weigh in to be eligible for fair weigh in. All goats will have a federal scrapies identification tag prior to arrival at fair.

iv. **Market Swine**: Swine must weigh 234 to 306 pounds when crossing the scale at fair weigh in, a 2% shrink will be applied to the weight recorded and used for auction weight. Swine will be under one year of age.

8. Any animals shown in any other market shows will not be allowed in the market classes of the Morrow County Fair, excluding non-terminal prospect shows. An animal that has been shown in a market class at the Morrow County Fair will not be allowed to participate in any other market animal events.

9. No animal may be replaced because they do not make weight.
10. Members must specify on their fair entry forms if they are bringing breeding project animal(s) to the fair and for which classes exactly the breeding animals will be shown. No late breeding class entries will be accepted. No animal can be declared a breeding project if it doesn’t make weight as a market project at fair. Review the different species classes in this book for more information.

11. **4-H and FFA Participation:** Members wishing to participate in both 4-H and FFA should be encouraged to do so. 4-H or FFA members may participate in any program offered by their respective organizations. In the case of project enterprises, a member may engage in the same enterprise in one or both of the organizations, but should not enroll the same specific animal or exhibit in both organizations at the same time and event. Animals must be designated and tagged at spring weigh in. For example, if a member wishes to participate in both 4-H and FFA with their sheep program, they would not be able to show the same animal in both organizations, one would be designated a breeding animal and one designated a market animal. Designation is exhibitor choice and made at spring weigh for appropriate tagging. In different species, (sheep and steer for example), members have the option of having an animal for their FFA program and for their 4-H programs and may be either breeding or market, with separate records according to the requirements of the respective organizations. The highest placing market animal will sell in the livestock auction regardless. Members may use the same animal in both organizations for performance events only (horses and dogs).

12. **Health/Ethics Policy:** The 4-H program, Morrow County Fair and Sale supports the humane treatment of all animals. We are committed to;
   a. Upholding the welfare of animals as a primary consideration in all activities.
   b. Requiring that animals be treated with kindness, respect, compassion
   c. Ensuring that owners, trainers, and exhibitors use responsible care in handling, transportation and exhibiting of animals.
   d. Providing for the continuous well-being of the animals through proper feeding, disease, prevention, sanitation and attention to their safety.
   e. Supporting scientific research to improve the health, safety and well-being of livestock.
   f. The state 4-H Oregon Animal Science Exhibitor Agreement covers all animal projects and must be on file at the Extension Office.

13. **DRUG REGULATIONS:** The Morrow County Fair Board and the Morrow County Livestock Growers are concerned that all meat and milk products marketed from fair animals be free from illegal and unethical drugs and chemicals. The following rules are adopted to prevent drug residues and pertain to all livestock, horses, and small animals exhibited at fair.
   a. No drug, chemical, or feed additive shall be administered to any animal of the Fairgrounds during the Morrow County Fair without prior approval from the division superintendent, a Fair Board member, a Morrow County Livestock Grower, and a licensed veterinarian. Administration of any drugs or chemicals on the fairgrounds must be witnessed by the superintendent of the division.
   b. All market animals and producing dairy animal exhibitors and their parent/guardian are required to sign a disclosure statement on the — Market Health Record disclosing all drugs, chemicals, and feed additives used in or on the animal for the entire feeding period.
   c. **All market animals must meet all withdrawal requirements to enter the sale.** Market animals shall not contain any identifiable or unidentifiable foreign substance including: drugs, steroids, herbs, or chemicals; greater than those allowed by the United States Department of Agriculture (USDA) and the Food and Drug Administration (FDA) for the consumption as human food during the time the animals is on the fairgrounds. Test samples collected from 4-H and FFA animals shall be free of any unauthorized foreign substance, including but not limited to steroids, drugs, or chemicals affecting the central nervous systems (for example: stimulants, depressants, or painkillers).
   d. **All exhibitors** (open, 4-H, and FFA) must complete a — Market Animal Health Record for each animal exhibited. Exhibitor and parent/guardian (if exhibitor is under the age of 18) must agree to permit animals to be tested for drugs, chemicals, and feed additives.
e. The Morrow County Fair Board and the Morrow County Livestock Growers (MCLG) reserve the right to test any animal exhibit for tampering, altering, misrepresentation, unethical fitting, natural or foreign substance, to include drugs, blood, oil, steroids, or chemicals. The submission of any 4-H, open class, or FFA entry into the Morrow County Fair expressly grants the Fair Board & MCLG the right to conduct such tests. Such tests may include laboratory analysis of saliva, urine, blood, or other substances. Refusing tests will result in disqualification, forfeiture of awards, and possibly expulsion.

f. Violation of the above rules will result in disqualification and forfeiture of any awards, and may result in expulsion from the fairgrounds and violator ineligibility to participate in the animal division in future fairs.

g. If a market animal tests positive, the exhibitor pays all fees associated with the tests. Even if one of an exhibitor’s market animals tests positive, that exhibitor forfeits any premium money and any market sale receipts back to the Morrow County Livestock Growers and they are no longer eligible to exhibit or sell at the Morrow County Fair.

14. In case of argument or violence, OSU Extension and the Morrow County Fair Board reserve the right to expel anyone from the grounds for the duration of fair.

This means that your clothes should be clean and neatly pressed and your hair neatly trimmed and combed. When showing, a clean pressed shirt and long pants are recommended. Avoid shirts with advertising, corporate logos, and excessively loud colors that detract from the animal. No tank tops or open toed shoes will be allowed. All exhibitors should wear leather shoes or boots. Dairy showman should wear white shirts and pants.

Superintendent has the flexibility to make judgment on rules. Horse showmanship can be found in the horse section of this fairbook (Dept. V).

RATE OF GAIN CONTEST (MARKET ANIMAL)

Rate of gain contest pounds gained per day are computed for all market beef, goat, and sheep entered exhibits. This is done by subtracting the animal’s spring weigh in weight from the County Fair weight and dividing the difference by the number of days between the two events. Members are encouraged to feed their animals to have a high rate of gain, to use feed efficiently, and produce a good quality meat product. Each steer must be identified at the time of weigh-in with an ear tag and EID provided by the association.

All 4-H members involved in: market beef, goat, and sheep projects are eligible for and automatically entered in the contest. The rates of gain are calculated following the County Fair Spring Weigh in and Morrow County Fair Official Weigh-In. For more information, contact the Extension Office at (541) 676-9642.

DEPARTMENT 5:

The superintendents have the authority to prevent any animal from being judged for premiums or prevent the payment of premiums to any exhibitor who fails to care for his/her animals. Premium checks will not be mailed until pens are cleaned. Small animals will be accepted from 8:00 AM to 10:00 AM on Wednesday. It is recommended that all birds be banded and rabbits have permanent identification.

The State of Oregon is applying for "Pullorum Typhoid Free Status" from the Federal Government. This applies to ALL CLASSES OF POULTRY, whether it be 4-H, FFA or open classes.

A technician will be on hand to test all birds requiring testing, that have not been previously tested, AFTER THE JUDGING HAS TAKEN PLACE to eliminate any inconvenience to the owner or stress to the birds before they are judged. No charge will be made for this service.

Oregon 4-H Horse Show Drug Policy*
See 4-H Horse Contest Guide for complete information.

The 4-H Horse Program does not tolerate the use of illegal drugs and/or the improper use of animal health products or foreign substances. The administration of any drug or medication that affects the animal’s conformation, appearance, natural performance, behavior, or in any way alters its natural color is unacceptable. Extension personnel, 4-H volunteers, families, youth, and show officials have a legal and moral obligation to not misuse these products and to report those that do. Consequences are at the county’s discretion. Horses that require any medication should be identified upon arrival at the 4-H Horse Show Office or registration area. Exhibitors should be prepared to present a valid prescription or a written explanation (or both) that is signed by the animal’s licensed veterinarian. If a horse requires medication or treatment to protect its health and welfare after arrival at the show, the medication THE PNW 4-H HORSE CONTEST GUIDE v 8 must be prescribed by a licensed veterinarian. All medication, at all times, must be administered in accordance with the prescription specification or instructions (or both). The exhibitor’s parent or legal guardian is responsible and liable for the correct administration of the prescribed drug.

DEPARTMENT 7: EXPRESSIVE ARTS
Members may enter up to three classes in the Original Art division and up to three classes in the Non-original Art division, no more than one entry per class number.
Members may also enter one exhibit in the Celebrate our World and Innovation classes. Art has two divisions based on whether the entry is entirely original or includes components that have been designed or created by others. In both divisions, the member will be expected to create their work by applying the elements and principles of design.

Artwork may not be framed with the exception of work done with chalks, charcoals, or pastels. If work done with chalks, charcoals or pastels is framed, light weight frames with plastic rather than glass should be used for protection during display.

No glass is allowed.

Artwork is to be mounted for display, including jewelry. All jewelry exhibits must be mounted in some way to a board or fabric covered board for display. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. If an item is meant to hang, a hanger that will support the weight of the item must be securely attached. Two adhesive hangers per hanging art piece is suggested. They may be available through county Extension offices.

All items made from clay (except modeling clay) must be exhibited in the Ceramics and Pottery division.

All work done on an item that is wearable clothing or accessory must be exhibited in a Wearable Art category. Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points.) Exhibits are entered and displayed at the risk of the exhibitor; see General 4-H Information – Eligibility.

In addition to the exhibit tag, each piece of an exhibit must be labeled on the back or bottom with the member’s name, county, and exhibit class number. Exhibits that have more than one piece need to be tied together or connected together in some way so the pieces can be considered as one exhibit.
For art projects to qualify for judging, a fully completed 4-H Expressive Arts Exhibit Explanation card (231-02) or an Innovation Class Explanation card (998-01) must be attached. These forms take the place of interview judging, so be as thoughtful and comprehensive as possible when sharing the required information.

Exhibits will be evaluated using the judging criteria outlined on the Art Project Evaluation sheet (231-02) or the Innovation Class Evaluation sheet (998-02). All forms are available at the county Extension offices and at the State 4-H website: http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-expressivearts

Public display of exhibits will be at the discretion of 4-H management.

Family and Consumer Science: Judging & Identification Skill-a-thon
County and State
This was formerly known as the “FOOD & NUTRITION AND CLOTHING/SEWING JUDGING CONTEST” now this contest includes all three areas of Family and Consumer Science.

Contestants will schedule a time between 9 am and 3 pm on Tuesday during fair week to do the contest.

1. To participate in 4-H contest, individuals must be enrolled in 4-H.
2. Ribbons will be awarded based on individual scores. In addition, team ribbons (blue, red and white) will be awarded to all members (up to four) of the three highest scoring teams. Each team may have a maximum of four (4) members, but team scores will be calculated using the top three individual scores from each team. All teams competing must have a minimum of three members. Team ribbons and team placing will not be awarded to teams with fewer than three members.
3. No coaching is allowed during the contest. Parents and leaders must stay back from the competition space and tables.
4. County teams must be identified and registered prior to the State Fair contest. Each county may field one intermediate and one senior team at State Fair.
5. Only official contest materials may be used during the contest with the exception of a clipboard, a pen or pencil and blank paper for taking notes. Notes will not be allowed when giving the presentation to the judge. Members using materials other than those allowed will be disqualified.
6. No talking is allowed by 4-H members after the contest has begun. If 4-H members have a question regarding the contest, the member should address that question to the group leader. 4-H members will be given a warning for talking. The next offense will result in the member receiving a zero for that class. Subsequent violations will result in the member being dismissed from the contest and receiving a zero for all classes. Decisions regarding compliance with this rule rest with the group leader and/or contest facilitator.
7. To facilitate greater participation, counties who are unable to enter a full team may wish to combine members so a team representing several counties may participate in the judging contests at State Fair. To enter a combined team, teams must be identified in writing from both county agents prior to the contest. To demonstrate county approval, all counties involved should be cc’d when the electronic entry form is e-mailed. Additionally, if counties are unable to fill a senior team, they may bring up 9th grade participants to fill the team. These 9th graders should not bump other senior members and should not result in the county being unable to fill an intermediate team. To qualify for the National FCS Classic competitive event, all members of the team must be at least 14 years and no more than 19 years of age by January 1 of year of the event.
8. Senior level individuals and teams may be chosen to represent Oregon in the FCS Classic, a National competitive event held in Denver, Colorado. Chosen individuals and teams will be responsible for raising funds associated with expenses for the National Competition.

Judging standards are listed in Measuring Up: Quality Standards for Sewn Items/Projects (PNW-197). Each entry will be evaluated on ALL features, not just the skills listed in the respective enrollment levels. For skill levels 1-6 the use of fabrics or skills that are beyond the recommendations for this level are expected to be done well according to the standards, but will neither be given extra credit consideration for increased difficulty nor disqualified during judging. It is in the best interest of the member to stay within the suggested guidelines.

The cards request information about the exhibit which is needed by the judge for evaluation. Hangers and/or garment bags are removed from exhibits prior to judging and might not be returned.

In addition to the 4-H Sewing/Clothing Exhibit Card, each garment or article in the construction classes must be labeled with the member’s name, county, and project level. This label should be typed or printed in indelible pencil or ink on a piece of white fabric and sewn or fused onto the bottom inside of each piece.

To qualify for special wool awards listed at the end of the Clothing/Sewing Section, attach a manufacturer’s all wool label or merchant’s statement indicating the fabric is 100% wool or a minimum of 60% wool and no more than 40% other fiber.

Members may enter the same garment or accessory in an exhibit class and in the fashion revue. However, they may not enter both the fashion revue and exhibit class at State Fair; they must choose between the two and let the 4-H office know.

***Skill levels listed below are based on the knowledge and skills acquired by the individual 4-H member. For example, if you are a first year 4th grade member, you will choose a class from Basic Skills Level 1. However, if you are a first year 7th grade member, you have some options based on your skill set; you can choose from Basic Skills Levels 1-4 for your class. Ask your leader for help determining where your current skills are and what type of project you should take on for the year. We encourage all of our 4-H members to continue to move through the skill levels as they gain each year of experience. For example, 7th-9th year sewing members should not be exhibiting in any basic skills level classes unless otherwise permitted.

All items should be clean and in good repair. All exhibits must be in the same level.

Judging criteria are outlined in 4-H Sewing/Clothing Construction Score Sheet (320-01), 4-H Sewing/Clothing Creative Expression Score Sheet (320-02), and the Innovation Evaluation Sheet (998-02) found at:
http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family.

CLOTHING/SEWING CONTESTS

Family and Consumer Science: Judging & Identification Skill-a-thon
County and State

This was formerly known as the “SEWING/CLOTHING JUDGING CONTEST” now this contest includes all three areas of Family and Consumer Science.
Contestants will schedule a time between 9 am and 3 pm on Tuesday during fair week to do the contest.

1. To participate in 4-H contest, individuals must be enrolled in 4-H.
2. Ribbons will be awarded based on individual scores. In addition, team ribbons (blue, red and white) will be awarded to all members (up to four) of the three highest scoring teams. Each team may have a maximum of four (4) members, but team scores will be calculated using the top three individual scores from each team. All teams competing must have a minimum of three members. Team ribbons and team placing will not be awarded to teams with fewer than three members.
3. No coaching is allowed during the contest. Parents and leaders must stay back from the competition space and tables.
4. County teams must be identified and registered prior to the State Fair contest. Each county may field one intermediate and one senior team at State Fair.
5. Only official contest materials may be used during the contest with the exception of a clipboard, a pen or pencil and blank paper for taking notes. Notes will not be allowed when giving the presentation to the judge. Members using materials other than those allowed will be disqualified.
6. No talking is allowed by 4-H members after the contest has begun. If 4-H members have a question regarding the contest, the member should address that question to the group leader. 4-H members will be given one warning for talking. The next offense will result in the member receiving a zero for that class. Subsequent violations will result in the member being dismissed from the contest and receiving a zero for all classes. Decisions regarding compliance with this rule rest with the group leader and/or contest facilitator.
7. To facilitate greater participation, counties who are unable to enter a full team may wish to combine members so a team representing several counties may participate in the judging contests at State Fair. To enter a combined team, teams must be identified in writing from both county agents prior to the contest. To demonstrate county approval, all counties involved should be cc’d when the electronic entry form is e-mailed. Additionally, if counties are unable to fill a senior team, they may bring up 9th grade participants to fill the team. These 9th graders should not bump other senior members and should not result in the county being unable to fill an intermediate team. To qualify for the National FCS Classic competitive event, all members of the team must be at least 14 years and no more than 19 years of age by January 1 of year of the event.
8. Senior level individuals and teams may be chosen to represent Oregon in the FCS Classic, a National competitive event held in Denver, Colorado. Chosen individuals and teams will be responsible for raising funds associated with expenses for the National Competition.

**FASHION REVUE CHALLENGE**

Contestants register for fashion revue challenge on 4-H Fair Registration form. Held at the Heppner Elementary School cafeteria, on Monday, August 12, 2019 beginning at 9:00 AM.

The 2018 Fashion Revue Challenge is Old into New Again! The challenge is to use used garments and remake said garment(s) into something new and different. Criteria includes:

1) At least 50% of the new garment must be remade using sewing, knitting and/or crochet skills, 2) The newly created garment must be uniquely different from the original item, and 3) A photo of the original item(s) must be included along with a photo of the new creation.

Participants will bring their garments and items with them on the day of their scheduled judging. Participants must bring a completed Fashion Revue Challenge information card (320-07), a photo of the item being worn, and a typed commentary (100-150 words) to be read when they model during the judging and during the public revue. The typed description should be on a regular 8 ½ x 11 sheet of white paper, double spaced, in 14 pt Times New Roman font. The typed description should not include information that would be considered too personal (i.e. size of garment or something really embarrassing) nor provide too much private information (address, town, school, etc.) as these commentaries are read in a public setting. Commentaries should primarily focus on the construction and purpose of the garment rather than the individual’s involvement in 4-H, fair, school or other activities.

Since the commentary is focused on the garment, participants will give a 1 – 2 minute introduction of self as part of the interview judging process. This informal talk is a chance for the participant to share a bit about themselves with the judge and could include information such as other 4-H projects in which they are involved, more about their sewing and clothing project adventures, hobbies they enjoy, favorite activities, or even life goals etc. This sharing session is to be at least one minute in length and no more than 2 minutes.
Judging criteria are outlined on the Fashion Revue Score Card (320-05) available at the county Extension office or on the State 4-H website: [http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family](http://oregon.4h.oregonstate.edu/special-events/state-fair/cm-family). Judging will include an interview where judges may ask the participants to explain decisions they made in selecting the items they purchased.

Family and Consumer Science: Judging & Identification Skill-a-thon
County and State
This was formerly known as the “FOOD & NUTRITION JUDGING CONTEST” now this contest includes all three areas of Family and Consumer Science. Contestants will schedule a time between 9 am and 3 pm on Wednesday, July 31, 2019.
1. To participate in 4-H contest, individuals must be enrolled in 4-H.
2. Ribbons will be awarded based on individual scores. In addition, team ribbons (blue, red and white) will be awarded to all members (up to four) of the three highest scoring teams. Each team may have a maximum of four (4) members, but team scores will be calculated using the top three individual scores from each team. All teams competing must have a minimum of three members. Team ribbons and team placing will not be awarded to teams with fewer than three members.
3. No coaching is allowed during the contest. Parents and leaders must stay back from the competition space and tables.
4. County teams must be identified and registered prior to the State Fair contest. Each county may field one intermediate and one senior team at State Fair.
5. Only official contest materials may be used during the contest with the exception of a clipboard, a pen or pencil and blank paper for taking notes. Notes will not be allowed when giving the presentation to the judge. Members using materials other than those allowed will be disqualified.
6. No talking is allowed by 4-H members after the contest has begun. If 4-H members have a question regarding the contest, the member should address that question to the group leader. 4-H members will be given one warning for talking. The next offense will result in the member receiving a zero for that class. Subsequent violations will result in the member being dismissed from the contest and receiving a zero for all classes. Decisions regarding compliance with this rule rest with the group leader and/or contest facilitator.
7. To facilitate greater participation, counties who are unable to enter a full team may wish to combine members so a team representing several counties may participate in the judging contests at State Fair. To enter a combined team, teams must be identified in writing from both county agents prior to the contest. To demonstrate county approval, all counties involved should be cc’d when the electronic entry form is e-mailed. Additionally, if counties are unable to fill a senior team, they may bring up 9th grade participants to fill the team. These 9th graders should not bump other senior members and should not result in the county being unable to fill an intermediate team.
8. Senior level individuals and teams may be chosen to represent Oregon in the FCS Classic, a National competitive event held in Denver, Colorado. Chosen individuals and teams will be responsible for raising funds associated with expenses for the National Competition.

“CELEBRATE OUR WORLD”

DIVISION

Each county may enter as many blue ribbon participants from the county contest as the judge qualifies.

To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis
allows members to focus on learning about the country/region and the skills and techniques unique to that culture.

IRON CHEF
State & County Contest
In this competition teams compete in head to head battles to find out whose cuisine will reign supreme in a battle involving a secret ingredient. Contestants will be interviewed throughout the competition.
1. Participants will have 60 minutes to complete two dishes (i.e. appetizer, soup, salad, main entrée, dessert).
2. The contest kitchen will provide the mystery ingredient, range, microwave oven and refrigerator. Participants must provide all other ingredients, recipes, individual serving dishes for judges and equipment.
3. Each course should emphasize/showcase the mystery ingredient.
4. Team should prepare and plate 4 servings of each dish for the 4 judges. Samples will not be served to the public unless there is extra. Pay special attention to portion sizes; judges will be eating multiple dishes so portions should be petite.
5. Teams must be registered to participate 2 weeks before the contest.
6. The names of two possible mystery ingredients will be given to the team two weeks prior to the contest. The actual mystery ingredient will be announced to the judges and team just prior to entering the kitchen.
7. The food prepared must be plated for the four judges and served to each at the same time. The second food must be served on a separate plate for each judge.
8. The order in which teams serve the judges will be decided prior to the contest start. It is acceptable (and advisable) for teams serving their dishes second to take measures to preserve the temperature of their creations.
9. Participants are expected to leave the kitchen clean. This will be part of the judge’s evaluation.
10. Each of the four judges will award up to a maximum of 50 points to each team
   20 points maximum for taste
   15 points maximum for plating (appearance of presentation)
   10 points maximum for food safety
   5 points maximum for originality

DIVISION
Each county or combined county team may enter a team of 2-3 members. Entries may be limited by contest space. If contest is not full, more than one team from a county may be eligible to participate. This contest is not judged by the Merit Method of judging.

MINI MEAL CONTEST
State & County Contest
There are two divisions in the contest, Intermediate and Senior. Within those divisions there are individual and team classes. Teams will consist of two members. If one team member is a senior and the other an intermediate, the mini-meal should be entered in the senior division.

4-H members enrolled in the Food and Nutrition and Food Preservation projects may have one entry in each division as long as different dishes are prepared for each. Each participant (or team) must prepare only two dishes. One must be a main dish and the other can be any other food which would either (a) make an entire meal if served together, or (b) be part of a larger meal if other foods were included.

The meal might be a breakfast, lunch, dinner, brunch, buffet supper, snack meal, party meal, etc. Members can utilize food products they have preserved. Judging criteria are outlined on the newly revised 4-H Food and Nutrition Contest Score Sheet (40-457), available at the county Extension office or on the State 4-H website at:
http://oregon.4h.oregonstate.edu/node/1859

The following items apply to each division and class:
1. Participants will have two hours (start to finish) for set-up, preparation, and cleanup. Participants must provide all ingredients and equipment except range, microwave oven, and refrigerator. For food safety finished dishes prepared at home may not be brought and served at fair.
2. Participants should prepare one recipe, one batch, etc., of food product. No fixed number of servings is required.
3. The use of alcoholic beverages that would be unlawful for a minor to possess is not permitted.
4. The foods prepared must be displayed on a serving platter or tray, or in a dish, bowl, basket, etc. Participants must also display one place setting of the table service which would be used in serving the meal (include plates, tableware, napkin, glasses, tablecloth, placemat, or whatever is appropriate). A card table will be available for each participant to use for display. A centerpiece may be included if the participant wishes, but is not required.
5. Participants will serve samples of the food to the judge and the public. Paper plates and plastic utensils will be provided by the Fair.
6. All participants must provide the judge with a
“Judges Information Form,” available from the county Extension office, or at, http://oregon.4h.oregonstate.edu/node/1859
7. All participants must provide a poster (approximately 24” x 30”) of the recipe to display in the preparation area. Posters will not be returned.
8. Participants are expected to leave the kitchens clean. This will be part of the judge’s evaluation.

Members must use current OSU approved or USDA preparation and processing recommendations for preserved foods. Current OSU approved publications can be found at: http://extension.oregonstate.edu/fch/food-preservation
Current USDA recommendations can be located on the internet at http://nchfp.uga.edu/publications/publications_home.html or http://nchfp.uga.edu/ The Ball Blue Book copyright 2009 or newer, So Easy to Preserve Book, pectin package inserts, or pectin product websites are also approved sources.

Suggested are 4 oz. jars for jams and jellies, half pints & pint jars for other products. Larger jars will be accepted, but food may be wasted as any opened jars may be emptied before returning after Fair. Dried foods should be exhibited in jars or sturdy plastic bags, with labels securely attached. Make sure to follow the approved processing times listed for your product. Judging criteria are outlined on the 4-H Canned Fruit and Vegetable Check Sheet (512-04), 4-H Canned Meat and Fish Check Sheet (512-05), 4-H Dried Foods Check Sheet, 4-H Jam Check Sheet (512-01), 4-H Jelly Check Sheet (512-02) and 4-H Pickles and Relishes Check Sheet (512-03), and a new 4-H Gift Pack Check Sheet (512-08) available at the county Extension office or on the State 4-H website: http://oregon.4h.oregonstate.edu/node/1855
