Chainsaw 101 Workshop

Come join other women of WOWNet for this three day workshop filled with information regarding chainsaw safety, maintenance, and demonstrations on how to safely fall small diameter trees. Gain the knowledge and confidence you need in order to feel empowered to steward your land.

Hands on time will allow you to practice cuts on standing logs, work on your own saw, and learn new techniques.

Registration is extremely limited! Please register with Tiffany: Tiffany.Hopkins@oregonstate.edu or 971-409-4030

MAY 13 (10AM-5), MAY 14 (9AM-5), MAY 15 (9AM-3)
