4-H LEATHERCRAFT PROJECT

EXPLANATION OF FAIR CLASSES
4-H members may enter up to two exhibits per class for County Fair. Each exhibit will consist of one article (a pair of gloves, slippers, etc. is considered one article).

STAMPING TECHNIQUES
Focuses on the use of alphabet stamps, number stamps, and 2-D and 3-D image stamps of any size. Work could include one stamp or multiple stamps and stamped designs using other tools as well as border designs (projects with just a border as well as a decoration). The use of a swivel knife and other tools may be incorporated into overall design.

FLORAL CARVING
Demonstrates the use of basic tools and carving techniques on designs primarily using elements such as flowers, leaves, seeds, nuts, or scrolls. Carving techniques should show proper use of the selected tools used to create the overall design. The use of color is allowed.

GEOMETRIC & BASKET WEAVES
Demonstrates use of geometric or basket weave tools to create appropriate design.

FIGURE & PICTORIAL CARVING OR EMBOSsing TECHNIQUES
Demonstrates figure carving (animals, people & objects), pictorial carving (mountains, trees, rivers, etc.), or embossing techniques (any carving that is raised from the leather & any element that has been raised with a plug or filler).

USE OF COLOR
Demonstrates at least one of the following techniques/ mediums: solid color, antique stain, block dyeing, background dyeing, resist dyeing, air brushing, acrylic paint or Sharpies; or the use of multiple colors.

LACING TECHNIQUES
Focuses on assembly or decoration of the project using appropriate lacing techniques.

ASSEMBLY TECHNIQUES
Includes stitching (hand or machine), zipper installation, lining applications, edging, and hardware applications.

ADVANCED TECHNIQUES
Should be a major or important element of the overall project.

MAJOR ARTICLE
Should show the ability to handle an advance project that includes skills from at least 3 of the other classes.

BASIC 8 TOOLS
The Basic 8 Tools recommended for this project include:
Swivel Knife, Camouflage, Bevelers, Pear Shader, Backgrounder, Seeder, Stylus, and Veiner.
The Extension Office will have tools for your use to share, however if you have your own leathercraft tools, please bring them with you.

WORKSHOP DATES:
Sunday, December 9, 2018
Sunday, January 20, 2019
Sunday, February 3, 2019
Sunday, March 3, 2019
Sunday, April 7, 2019
Each workshop will be held from 1:30 to 3:30PM.
REGISTRATION FORM

All class participants will need to enroll in the 4-H Leatherscraft project area and pay a $10/person fee for the clinic series. Make checks payable to OSU Extension. Registration forms can be returned with payment to:
PO Box 1165, Roseburg OR 97470

4-H EXPRESSIVE ARTS

The 4-H Expressive Arts program provides opportunities for members to explore and develop their artistic awareness, creative potential, and appreciation of art and the artistic process.

To further enhance the 4-H members project experience youth can begin their leather craft project work by working monthly on their projects with a professional leather work artisan to learn the foundation of leather making.

Each session youth will complete a project which will be displayed at the Extension Office to showcase their projects and then entered into the 2019 Douglas County Fair. After Fair and potentially State Fair exhibition, members will be able to collect their projects for their use.

The Make 2 Show 4-H Expressive Arts series allows youth to explore an art related profession to attain skills that can provide them with a lifelong hobby and potential career. Through this opportunity youth will have the opportunity to experience BELONGING in a group, MASTERING skills, being GENEROUS, and becoming INDEPENDENT.
