Wow! What a turnout we had on Monday for our Dog and Livestock Bowls and Skillathons. Seeing so many youth participate was amazing. We have teams that will be going on to represent Douglas County at Spring Classic in May. This event would never have happened if it weren’t for all of our awesome volunteers. Thank you so much for spending your day with us and working so hard, you a very appreciated.

The Douglas County 4-H robotics club Biobotz 2.0 is going to state as a Douglas county 4-H/FTC robotics team. Congratulations Biobotz! The competition will be held March 9-10 in Hillsboro.

HELP Us Fill Up the Shooting Sports Training March 2-3 in Grants Pass

We are down to the last few days before the registration closes on Friday, February 22nd. We have some enrollees at this time but we still need a minimum number to hold the training. We also need a minimum of four in a discipline to offer that particular discipline training. So far, archery numbers are good. Please help us fill other disciplines and build the shooting sports program in our county

Today is National Love Your Pet Day. Most households in the United States have at least one pet so celebrate it by giving some extra attention and love to your little-or big-companions. According to my husband or dog is actually a little human in a dog suit. Have a great week!
