INTRO TO 4-H PHOTOGRAPHY

Camera Function Composition Light

Thursday, Jan. 24, 2019 6-7:30PM OSU Extension Service
Introduction to 4-H Photography Workshop with
Natalie McFarland, 4-H Alumni
Join us on Thursday, January 24, 2019 from 6-7:30PM, OSU Extension Service Auditorium
Bring your camera to this clinic!

Natalie's passion for photography began with a 4-H project, inspired by her mom/4-H leader and has prepared her to become a successful, professional photographer & co-owner of her family business, McFarland Productions. Based in Southwestern Oregon, McFarland Productions specializes in professional digital marketing services, photography & videography for cattle ranches. Natalie will help 4-H youth focus their interest in photography & grow their passion.
