## NEW IN T-TIME TODAY

**NEEDED: Cloverbud Leaders** One of our program area we have more interest in than leaders is **CLOVERBUDS**! We have a higher need than we have leaders. I am putting out an offer/request for Cloverbud leaders. I am willing to commit to running a Community Cloverbud Club **IF** I have some leaders who are willing to co-lead with the goal of having your own Cloverbud clubs then next 4-H year. I realize that for most 4-H leaders and parents this is uncharted water and maybe all you need is a little help. Give it some thought and if you are interested, please let me know. Our community is in need of quality programs for younger children; please consider helping us meet that need.

**4-H National Conference** Applications are now being accepted for National 4-H Conference which will be held March 28 - April 2, 2020 in Washington DC area. This event is for youth 15 – 19 years of age by September 1<sup>st</sup>, 2019. **Deadline for applications is November 15, 2019.** (Application in attachment email).

What an exciting opportunity for our 4-H members! 4-H National Conference is the pinnacle experience in 4-H Civic Engagement, providing the opportunity for young people to connect, learn, engage, lead and impact their communities, their nation and their world.

4-H National Conference is an annual event held at the National 4-H Center in Chevy Chase, Maryland. Conference events take place in the greater Washington D.C. area where delegates frequently enjoy the brief 'cherry blossom' season in Washington, D.C., as well as the Capital Mall, Smithsonian Institute museums, legislative office buildings, and federal agencies.

At National 4-H Conference delegates network with teens from almost every state and US territory. 4-H members will learn about civic engagement, practice leadership skills, experience teamwork, and learn more about US history and government processes. Teen delegates will share their perspectives, creative thinking, and "voices" during presentations to federal agencies.

This is a state sponsored award trip. Oregon selects two to six delegates, depending on scholarship funds available. Oregon delegates will be selected for (a) their interest in civic engagement and citizenship, (b) their ability to represent Oregon 4-H effectively as public speakers and leaders, and (c) representing the broad perspective of Oregon's counties and 4-H programs.

Most of the costs (registration, travel, lodging & meals) are sponsored by the Oregon 4-H Foundation and Oregon 4-H Youth Development Program.

## UPCOMING EVENTS
