4-H OPPORTUNITIES

County Medals There has been some confusion in the past about County Medals. County Medals are available to recognize 4 H members in project or activity areas who have demonstrated advanced accomplishments in a 4-H project, as well as in leadership and citizenship activities.

Eligibility

- Members must be in the 7th through 12th grades
- Members may receive only one project medal per year
- Members may also receive a Fashion Revue Medal or an Achievement Medal in the same year they receive a project medal.
- If merited by outstanding accomplishment, members may receive the same medal once as an Intermediate and once as a Senior. (Exception: Fashion Revue and Achievement Medals may only be awarded once to any member).

Selection Procedure

- Applicants must complete a County Medal Application Form, available at the following website: https://extension.oregonstate.edu/sites/default/files/documents/10551/countymedalapplicationformfillable0_0.pdf
- Turn in their completed 4-H Record book for judging
- And complete a 4-H Record Book & Award Application Registration form

All due by September 16th at 5PM to the Douglas County OSU Extension Office.

Guidelines for Evaluating County Medal Applications

Experiences in 4-H Projects and Activities - 50% As shown by:

- New knowledge, attitudes and skills learned
- Scope and characteristics of projects and activities
- Project and activity participation experiences
- Experiences in 4-H Leadership - 25% As shown by:
 - Leadership participation
 - Offices held and committee assignments

Experiences in Citizenship and Community Service - 25% As shown by:

- Development of positive attitudes toward service to others
- Participation in citizenship and community service activities

Hope to see some of you Saturday! Have a great week.
