September 6, 2018

We have been working on our annual 4-H calendar and have some great things in the works for this upcoming 4-H year. The first being our 4-H Fun Round-Up. Please read the information below to find out how you can participate.

Speaking of calendars...if you are looking at last year’s calendar you will see there was a Livestock project area meeting scheduled for this coming Monday the 10th. That meeting has been CANCELLED. We will be scheduling project specific meetings at our October Main Project Leader Meeting.

We now have the Award Applications loaded to our website. They are due back in the office on the 17th. I will not be including them in the attachment email but you can pick them up in the office or go to our website at https://extension.oregonstate.edu/4h/douglas/douglas-county-medals-awards

NEW IN T-TIME TODAY

**Cancelled: Livestock Project Meeting** the meeting scheduled for this coming Monday the 10th has been cancelled.

**State Fair Results** I have attached the results from State Fair to the attachment email. All State Fair participants have been notified that their projects are here in the office and ready to pick up.

UPCOMING EVENTS

**Award Applications** I would like to encourage you to look through the applications and nominate, or fill out an award form for, someone who you would like to recognize for their hard work. Applications are due in the office on Monday, September 17th by 5:00 PM (since the 15th falls on a Saturday). Award applications are in our office on our website at https://extension.oregonstate.edu/4h/douglas/douglas-county-medals-awards

**4-H Interstate Exchange Informational Meeting** Learn about 4-H Interstate Exchange. There will be in informational meeting on Monday, September 10th at 6 PM at the Extension Office. Parents/guardians must also attend the meeting. This program is for 4-H youth in grades 7-11.

**4-H Fun Round-Up** We all know what a wonderful program 4-H is and we want to let all of Douglas know. To that end, we are planning a 4-H Fun Round-Up. Emails have been sent to all enrolled 4-H leaders (thank you to those of you who have already volunteered!) but we also want to invite all families and members to help and to participate. We are still working on details but here is what we have/need so far:

Date of 4-H Fun Round-Up: Saturday, September 29, 10 AM-2 PM

Location: Sherms Parking Lot
Vision:

- Clubs would host an area such as:
  - Informational tables on different project areas like:
    - Robotics
    - Shooting sports
    - Each of the animal project areas
    - Public speaking
    - The list is pretty much endless
  - We would also need volunteers to help run areas such as
    - Make and takes
    - Fun games
    - Free give aways
    - Parent Information
    - Recruit leaders
    - Let parents know what to expect with 4-H

We would like to start organizing this soon, so please let me know what area you are willing to help with.

Events Around the State: If you check our new website many of the state events are posted there https://extension.oregonstate.edu/4h/douglas

It may seem ironic that today is Fight Procrastination Day and T-Time is showing up a day late, but I returned late yesterday and that’s my excuse.
